ASSHOLE OF THE MONTH

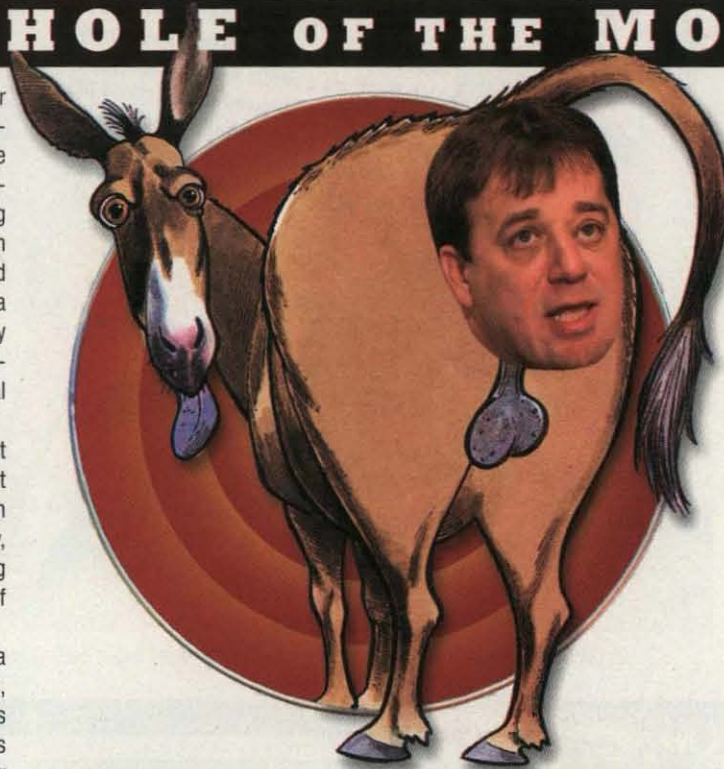

Some turd hatches mask their internal stench with a coy, winking exterior. Pennsylvania State Representative John Lawless (R-Montgomery County) isn't among them. Lawless is an abomination inside and out. His eyes, crooked horrors seemingly filched from a slasher-flick prop bin, accurately reflect both his skewed legislative vision and apparent mental imbalance.

Lawless's maw is his most grotesque feature, issuing flatulent tirades and empty gas. John Lawless can't help smelling ugly, but his deliberate sewage spewing makes him HUSTLER's Asshole of the Month for February 2002.

First elected to the Pennsylvania state legislature in 1990, Lawless, 44, drops his biggest turds from his perch on the House Appropriations Committee. John harbors particular malice toward Pennsylvania State University; annually, he holds school funding hostage while railing against perceived atrocities such as professor sabbaticals.

Lawless's jihad on university financing took a censorial turn in 1997, when he claimed offense at a student piece, "25 Years of Virginity: A Self Portrait," that was being exhibited at a Penn State art gallery. The work, which consisted of 25 pairs of panties with red crosses stitched into the crotches, was intended as a reflection on the artist's own chastity. Deeming the display blasphemous sight unseen, Lawless threatened to withhold the University's \$281 million subsidy if it wasn't removed.

"I don't need to" view the piece to

JOHN LAWLESS

condemn it, Lawless blustered, summing up his regard for rational decision-making.

The 'Rhoidal Rep flared up again last February over Sex Faire, an educational seminar held in one of Penn State's dorms. The event, sponsored by campus group Womyn's Concerns, offered information on AIDS prevention, testicular cancer detection and sexual-consent laws. Apparently anticipating an orgy, Lawless rushed to Penn State's campus, House cameraman in tow, to document the proceedings. Hoping to stir public indignation, Rep. Rehensible distributed the footage to local media.

The most obscene image on the

tape is Lawless's monstrous mug, huffing over the horror of anatomically correct gingerbread cookies. He threatened to block \$361 million in state funds because of the event, which bore a \$50 budget paid for out of the organizers' pockets.

Denouncing Lawless's tactic as "irresponsible grandstanding," then-Governor Tom Ridge opined that the antisex showboat was "taking a sledgehammer to a mosquito." Impervious to reason, Lawless turned Penn State's annual appropriations hearing into a four-hour exercise in McCarthyism, throughout which he badgered University President Graham Spanier for not curtailing campus speech to his

satisfaction. The malignant lawmaker also hinted that he might travel to Nebraska, presumably at taxpayer expense, to dig for dirt on the educator's past.

Lawless is adept at intimidation. His frequent harassment of individual constituents prompted a bill making it illegal for elected officials to menace citizens. Most notably, John phoned a student who'd criticized his Sex Faire hissy fit, threatening to ruin his chances of finding a job upon graduation.

"It's not a threat; it's a promise," Lawless publicly asserted. "I'm not going to let some punk tell me what to do."

Lawless should have seen the contradiction in making such a statement while seeking to dictate the behavior of 81,000 college students, but clarity of perception is as alien to him as facial symmetry. His latest shit-spew centers around a Penn State speech by HUSTLER Publisher Larry Flynt in October 2001. Flynt discussed politics, the drug war and other salacious topics, urging the audience to "speak out when the government is infringing on your rights."

As if on cue, Lawless condemned the address, promising to bring it up at the next university appropriations meeting. Astonishingly, Lawless suggested that events such as Flynt's speech might be "adding to the number of rapes on campus."

"I know what wrong is," Lawless bleats. If Lawless knew shit, he would wipe his chin. Penn State should grant him a dishonorary M.A. anyway, for being such a malicious Asshole.

FARTS IN THE WIND

Dennis Hastert: Illinois Congressman and House Speaker Hastert must have been busy shitting his pants when the President urged America to go about its business following the September 11 attacks. After Senate Majority Leader Tom Daschle's office received an anthrax-laced letter, Hastert shut down

the House for five days, while the Senate continued to do its job. Later, Hastert complained that certain senators had bragged about their superior courage, which he deemed "unacceptable." What's truly hard to accept is that Dennis can be a total pussy and complete Asshole at the same time.

Janalyn Holt: Holt, who heads Utah antiporn group Women for Decency, seized on September 11's tragedy by comparing smut to the World Trade Center attacks: "Pornography destroys families...little by little, blow by blow, it can be just as destructive." Blow-by-blow it out your Asshole, Janalyn.

McCartney Marriage: Exclusive Valentine Preview

Reeling from grief after the death of his wife Linda, ex-Beatle Paul McCartney rebounded by romancing 33-year-old Heather Mills, a former model and victim of a freak motorcycle accident. The incomplete couple doesn't

plan on tying the knot until some time in 2002, but the British tabloid press's inevitably sensationalist coverage is wholly predictable.

"I saw the lady stick 'im with my own two eyes," swears famed paparazzo! "Pictures never lie!"

BEATLE BUGGERED BY PEG-LEG BRIDE!

Sir Paul McCartney stumps the world by marrying an amputee, though he's easily able to afford a whole woman. New photos reveal why the widowed Beatle chose his pity bride. Who knew that Macca was as sick and perverted as this? Feast your eyes on the Fab Fucker's sicko wedding night!

McCartney rears up for bride's wooden leg, consummating wedding vows with vile, unnatural act.

Famed ink-slinger "Midget" McGinty tattooed freak-show performers around the globe. "Twitchy" Francine was McGinty's last client. The ticklish tart ended the needle jockey's short career, crushing his head between her knees.

S. R., of Avondale, Arizona, receives \$150 for this piercing depiction. Send your sleazy photos of yore to HUSTLER's "Porn From the Past," 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Include a self-addressed, stamped envelope if you want the material returned.

"Period, shmeriod."

THE HUSTLER INTERVIEW: AKBAR, THE FLAMING ASSHOLE

It's not every local idiot who can make international headlines, but Akbar is not your average dipshit. Where most anti-American morons would be content to ignite Old Glory, Akbar went that extra step and set himself ablaze as well. America's Magazine traveled to the heart of goat-fucking country to talk with the one true flamer.

HUSTLER: So, have you always been on fire?

AKBAR: That was the only time.

HUSTLER: I mean, you're not going to combust right now—

AKBAR: It was an accident; I assure you.

HUSTLER: What's it like to be a flamer?

AKBAR: If by that, you mean on fire—

HUSTLER: I'll ask the questions here, Akbar. When are you going to grant me three wishes?

AKBAR: I'm not a genie, Allah dammit!

HUSTLER: What the hell were you thinking when you lit that flag?

AKBAR: I am protesting the American—

HUSTLER: Save your free speech for someone who cares, Akbar. I'm talking common sense.

AKBAR: Well, yes, you'd think spending my entire life around oil fields and farting camels, I'd have a better appreciation for, well—

HUSTLER: Highly flammable materials?

AKBAR: Quit putting your words in my mouth!

HUSTLER: I wouldn't put my words or anything else of mine in your mouth.

AKBAR: Buddhist monks set themselves on fire to protest the war in Vietnam.

HUSTLER: Except they did so intentionally.

AKBAR: I see no difference.

HUSTLER: What political statement has engulfing yourself in flames made?

AKBAR: Mostly, "Aaaaaieeeeee!"

HUSTLER: And to your countrymen?

AKBAR: "Quit laughing, you dog-eaters, and put me out!" To be frank, a small part of me hoped to be seen on MTV's *Jackass*.

HUSTLER: The show has been canceled.

AKBAR: For the love of shit.

HUSTLER: You can't seem to catch a break.

AKBAR: At least I'm a hit at BBQs.

HUSTLER: What does the future hold for Akbar?

AKBAR: I plan on suing the flagmaker.

HUSTLER: Because you lit yourself on fire?

AKBAR: There should have been a warning label. More and more parents of

junior anti-Americans have come up to me since the incident—in private, of course, since no one wants to be seen with me....

HUSTLER: Understandable.

AKBAR: Do you know how many Arab eyebrows are divided each year in flag-burning accidents?

HUSTLER: I'm sure our readers don't give half a shit.

AKBAR: Well, it's time they learned.

HUSTLER: Have you lit something on fire for your new civic-minded cause?

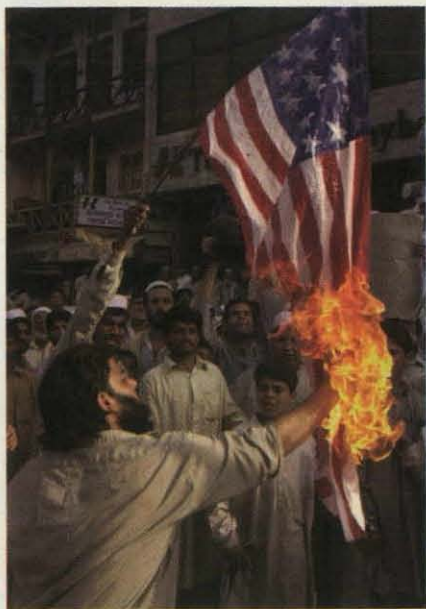

AKBAR: No. This time I took a cue from you Americans, and pinned ribbons to my clothes.

HUSTLER: I don't see any.

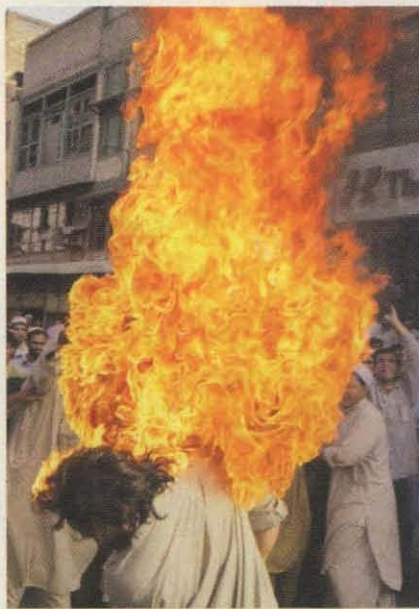

AKBAR: I've had to stop. The pins got out of my control, and I nearly hemorrhaged to death.

HUSTLER: If you think it will help impress your message upon the American public, we don't mind you mutilating yourself.

AKBAR: I hear my donkey calling. 🐫

"With all the village and media looking on, I lit the flame of protest—and suddenly realized the clothes I was wearing had been kept in the garage overnight, next to my surplus of grease for my hair. I prayed Osama's righteous god would protect and watch over me."

"You will not publish the photo of me on fire, will you? For cripe's sake. What do you think I said when my flesh was burning? I said, 'Allah, piss on me; I beg you!' I can still smell my singed beard. In this country, I would rather be emasculated. Wait, don't publish that."

"It was at this time I began cursing Osama's god, and earned the reputation that will shame my family for generations. Looking ahead, I want to start a falafel shop, but the insurance companies refuse to let me purchase a deep fryer. I will show them who's at risk."

Sunny Boner

I'd like to thank you for the best gift I received this year: Sunny (Sunny: Luxury Cooze, Holiday 2001 HUSTLER). I didn't think it was possible, but thanks to this amazing Honey, the Holiday issue was better than the previous 12 combined. Thanks for a fabulous finale to 2001. I'll be looking forward to HUSTLER in 2002. —B. W.
Fort Wayne, Indiana

Crissy Crush

Holy shit! I always thought that tennis was a fruity sport, but one look at Crissy (Crissy: Game, Set and Snatch, Holiday 2001 HUSTLER) convinced me otherwise. When I saw her luscious pink mound poking out from her curvaceous behind, I was smitten. I'd love to serve a couple of my fuzzy balls to that hot piece of ass. Thanks for introducing me to the joy of white skirts and sweatbands, HUSTLER. I'm going to the sporting goods store right now. I've just got to net a cutie like Crissy. —E. B.
Lantana, Florida

What rock have you been living under? You've obviously never heard of tennis goddess Anna Kournikova—the reason why 99% of televised tennis's hetero viewers tune in. We're still partial to Crissy though—she's way more open to sweaty doubles matches.

Ursulla's Royal Twat

I loved the spread featuring Ursulla (Ursulla: Prick Princess, Holiday 2001 HUSTLER). That babe has to be one of the shapeliest women who's ever posed for HUSTLER. I would very much like to see more of that stunner in future issues of your magazine.

—G. T.
Detroit, Michigan

XXX Treatise

I'd like to comment at length on my two favorite recent issues. The October 2001 HUSTLER was superb, thanks to stunning babes Johanna (Johanna: Girly Goo Buffet) and Trisha (Trisha: Beached Bitch). While Luba (Luba: Lazy Fuck) oozed sensuality and gave me a raging boner, it was Misty (Misty and Alexandro: Class Action) who really captured my attention. Seeing Misty screwed and splattered with splooge was fantastic. Changing gears to the December 2001 issue, I'd like to offer kudos to Clive McLean for his portrayal of Nicole and Voodoo (Nicole and Voodoo: Anal Witchcraft). Cindy and Bobbie (Cindy and Bobbie: Buckin' Cowgirls) in the same issue is an exceptional lesbo pictorial. Bobbie is hot and deserves her own solo layout really soon. There, I've blown my

—S. B.

Thanks, Professor. We appreciate the praise, but save the long-winded essays for Harpers. At HUSTLER, a brief "That shit was hot" will suffice.

A Date With Destiny

HUSTLER keeps getting better with every issue. Destiny (Destiny: Beautiful Reamer, November 2001) made me crazy with lust. The sultry blonde's eye contact nearly caused me to tear a hole in my shorts. Please bring Destiny back for a boy/girl set so I can see her filled with real meat instead of a cold, plastic dildo. Keep up the great work.

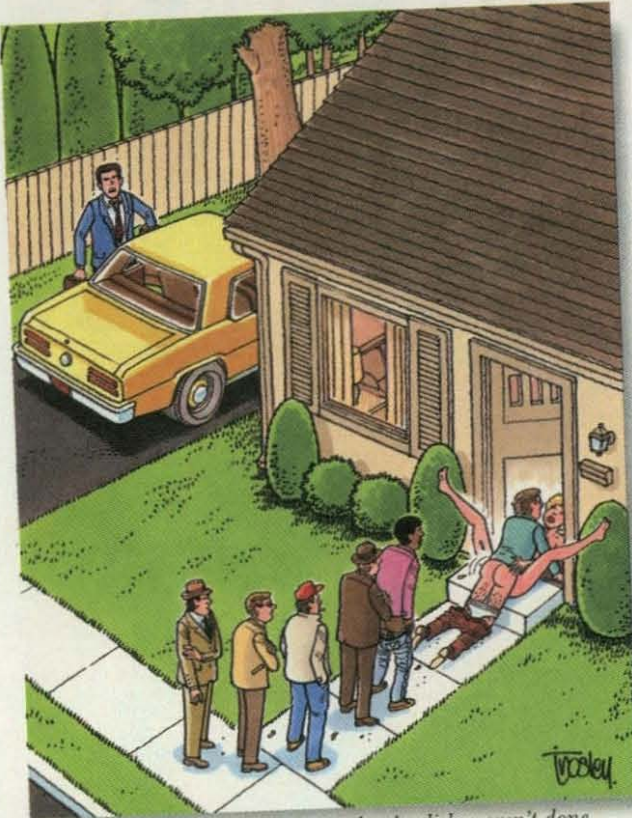

—R. B.
via Internet

You're not the first man to comment on Destiny's riveting eye contact. While shooting the hypnotic babe, even our usually calm and collected photographer Clive McLean broke into a cold sweat. We're still not sure if his loss of cool was induced by the fact that his wife was in the room, or that Destiny's boyfriend is a 6-8, 310-pound Samoan ex-con named "Crusher."

Eatin' Beaver

I'm proud to say that I'm a bonafide, card-carrying pussy eater. While the Holiday 2001 issue had plenty to snack on, I think that Justine (*Beaver Hunt*) looks like the only meal that could truly satisfy my appetite. Her protein-packed cunt would fill me up for breakfast, lunch and dinner. Please make Justine a finalist so I can taste more of her treats for dessert. —G. N. Aspen, Colorado

She-mook of the North

I'm a female HUSTLER reader who loves cock. I'm five feet tall, weigh 100 pounds, and love to fuck and eat pussy. I'm totally in love with well-hung porn studs such as Tom Byron and Dillion Day. I love to watch those guys pound cunt. I'd especially like to see them tag-team my favorite porn chick, Christi Lake. Can you make this happen, HUSTLER? —L. T. Bristol, Vermont

Your fantasy threesome sounds interesting, L. T. We'll look into it, but we're more interested in you. You sound like a perfect candidate for *Beaver Hunt*. Fill out the application on page 124 and send us some HUSTLER-style shots of yourself; it could be you sandwiched between two swordsmen.

Beaver Dreams

I just bought the December 2001 issue of HUSTLER. This edition of *Beaver Hunt* was a real turn-on. I think that you should have a special *Beaver Hunt* fantasy issue, where you feature the ladies living out their dream fucks in a series of pictures. I would love to see Debbie of Wells River, Vermont, surrendering her pussy and ass to a pair of black studs, or Holly and her sister-in-law going at it. To tell the truth, I'd just love to see video footage of the young lesbo twosome Sky and Vanity from Harrisburg, Pennsylvania. —A. F. Nashville, Tennessee

"I think that you should have a special *Beaver Hunt* fantasy issue, where you feature the ladies living out their dream fucks in a series of pictures."

Tinkle Tutor

Back in the January 2001 issue you had a great ad parody for "Peebok" titled "Amish Classic." The shot featured an Amish chick with a strong blast of piss shooting out from between her legs. This humorous shot is right on track when it comes to what golden shower fans love. Make sure that the girls in your pee pics spray

their urine in a beautiful yellow arc. Little trickles just won't do. —L. A. Hartford, Connecticut

Pee is harder to harness than one might expect. Sometime it gushes and sometimes it dribbles. We can never predict its flow. Most of the time, all we can do is set up our cameras, pour water down the models' throats and pray for rain. Rest assured, L. A., HUSTLER will continue to do its best to provide the strongest piss shots on the newsstand.

"I wish that Julia Louis-Dreyfus's character on *Seinfeld* was a porn star and that the entire cast would gang-bang the bitch every episode."

The Anti-Religion Act of 2001?

I've always been religious, but recently I've been thinking about how many innocent lives have been snuffed in the name of God or some other deity. Maybe we should just abolish religion once and for all. I know the difference between right and wrong, but can't decide which side religion falls on. You guys always tell the fucking truth; what's your take on this?

—W. T.
Fort Worth, Texas

Don't forget, W. T., America was built on freedom of religion, among other liberties. Admittedly, many of our Colonial forebears ignorantly and hypocritically went on to burn "unholy" suspected witches at the stake. Still, that's no reason to throw the baby Jesus out with the bathwater. Most forms of spirituality teach respect and tolerance. When hateful zealots use their muddled beliefs as an excuse to commit murder, blame the retard, not the religion. Outlawing spirituality won't help

a thing; man will always find a rationalization to do evil.

Gang-Bang in Syndication

I think that C. W. from Albuquerque, New Mexico, came up with a brilliant idea ("Sit-cum Set?" *Feedback*, Holiday 2001 *HUSTLER*). Every night I see reruns of *Seinfeld* and drool with every glimpse of Elaine. I wish that Julia Louis-Dreyfus's character was a porn star and that the entire cast would gang-bang the bitch every episode—even that fat fuck Newman. I'd pay serious money to see Elaine fucked six ways to Sunday. That hot snatch is my lifelong nomination for Million Dollar Muff.

Truckers and Trannies

I'm a truck driver who goes by the handle Porno Pete. I know this sub-

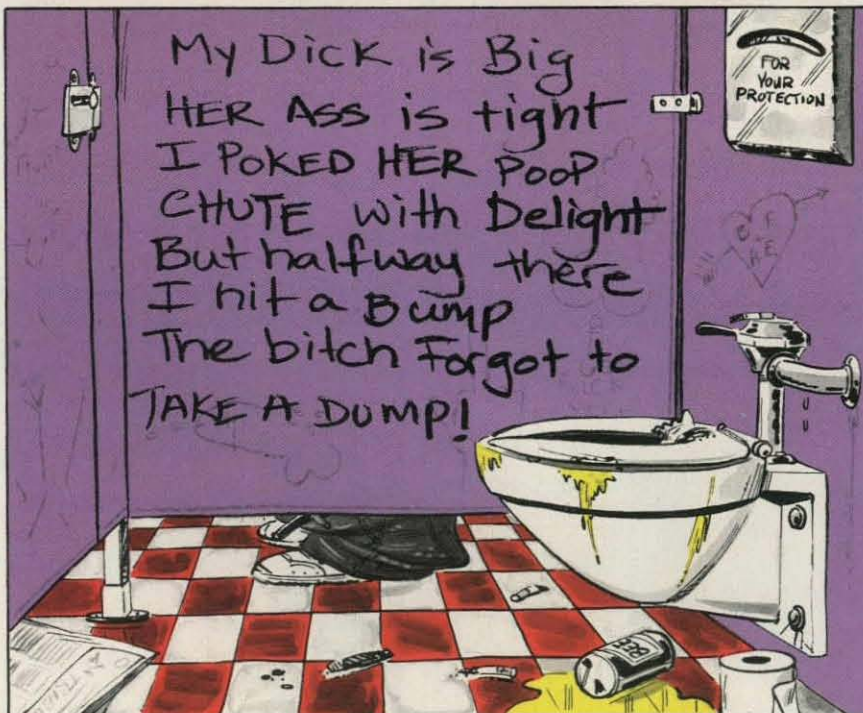

ject is old, but I really would like to pipe in on the controversy of Gia (*Gia: Portrait of a Lonely Lady*, April 1999 *HUSTLER*). You guys took a ton of flak for running those pictures, even though the whole thing was an April Fools' prank. I thought that those pictures were really raw (in a good way) and didn't mind them one bit. Recently I saw Gia on *The Maury Povich Show*, where she revealed that she was really a man. What's the deal, *HUSTLER*—was Gia an April Fools' gag or not?

—J. M.

The road must be getting to you, J. M. Pull over and read this carefully. We never claimed that Gia's piece is anything but real. The cold, hard fact that many readers were turned-on by something with a dick provided the real gag.

CASEY RAYE

BACKSTREET BOY'S
BACK-DOOR LOVE

PHOTOGRAPHY
BY CLIVE McLEAN

AJ snatches street cred from Casey: "Does this make me look **like a real rock star?**"

Casey with one friend she can trust.

In an interview **before his much-publicized stint in rehab** for "depression, anxiety and alcoholism," **AJ McLean**, the bad boy of the Backstreet Boys said, **"Our fans know as much about us as our moms, which is pretty scary."** What's truly scary is how clueless AJ's fans, his mom and the rest of the band seem to be about the main reason for his trip to a treatment center. When AJ's fellow Backstreet Boys were asked, "Was it just alcohol, as far as you guys know?" in an MTV interview, they affirmed, "As far as we know," and stressed, "We want to be honest" to their legions of squealing fans. But **according to Casey Raye, nothing could be further from the truth.** The Florida-based **exotic dancer and sometime porn starlet had dated McLean** while his life spun out of control. Raye witnessed how **AJ's massive appetite for cocaine took control of him.** Recently, while she was preparing to shoot this exclusive HUSTLER pictorial, Casey took some time out to talk to America's Magazine and tell the truth about AJ's bad habits.

HUSTLER: How did you meet AJ?

CASEY: The first night I met AJ, he was drinking Jack Daniels and playing pool at a place by where I live. One of his friends approached me and asked me what my name was. AJ was covered with tattoos and wore black nail polish. I didn't know who he was and was just wondering, *Who is this maniac, and what is he doing in the little pool hall by my house?* After his friend approached me, AJ did, and within the first ten minutes he knew that I'd done movies and that I danced, because I'm up-front about what I do. Because he didn't really know me, AJ tried to hide the fact that he was doing coke that night, but it was obvious when he walked in the bathroom every five

minutes. Every time I saw him after that, he was partying, doing coke. I'd drive all the way up to his house in Orlando thinking he needed me because his grandmother was sick and he was upset, and then he would just be on a binge.

HUSTLER: When you were dating, his grandmother was dying. How did that affect him?

CASEY: He'd fly into Florida from the tour to go see her. I'm not saying that he didn't love his grandmother—he really did love her. They were very close, but I don't think he knew how to deal with her illness, or maybe he didn't want to deal with it. When I'd come over, he would only be interested in going out to strip clubs, getting fucked up and doing blow. He'd see his grandmother on the last day before going back on tour for maybe an hour, and I'd think to myself, *What the hell am I doing with this person?*

When we first started dating he was really fun, but as I learned what a liar he was, I lost interest.

HUSTLER: Any specific examples?

CASEY: The last time I was at his house, we had migrated to the bathroom because that's where we always ended up. He loved it in his bathroom. He had a radio in there with a CD player, and he took me there as soon as I arrived, and he said, "You've gotta hear this! It's my new stuff. It's my solo stuff." I said all right; so he played this CD, and I thought, *I know this.* Then I realized, *I have this CD,* and it came to me—*Linkin Park.* I didn't want to embarrass him, but to myself I was ➤

"AJ, stop singing that **Linkin Park** song!"

saying, *Oh, my God, what a liar.* He sat there telling me he sang and played every instrument, except for the drums—I mean, even to detail he'd lie. That's when I realized that this guy was completely miserable about who he is.

HUSTLER: Do you think it was because of the drugs?

CASEY: I think that he's very insecure. He's a Backstreet Boy, but he really wants to be a big rock star with big rock star problems, which isn't getting him anywhere. His house is a mess; he has a maid, but he lives like a slob. He uses the floor as an ashtray and walks through the house flicking his cigarettes. He has two little Yorkshire terriers, Vegas and Jack Daniels. He never takes them out; so they go all over the house. Every morning while he was passed out, I would

"I wouldn't say he was twisted, but he definitely likes anal sex. That's his thing."

walk around picking up dog shit with paper towels because I couldn't stand the smell.

HUSTLER: Was he twisted sexually?

CASEY: I wouldn't say he was twisted, but he definitely likes anal sex. That's his thing. Unfortunately, it's not my thing. I can't do it very easily and had never done it completely until I did it with him. With porn, he said he didn't like the idea of me doing movies again, and he didn't want to see my videos. He even told my best friend, "We're together as long as she never does another movie." I had already stopped doing them a year before we met. But then he would go out and buy them or call me and tell me, "I'm in a store and I found this on DVD, and I'm going to go watch it on my home theater." He'd totally contradict himself and say, "You know, I don't mind if you go out and do movies."

HUSTLER: He had his own screening room for porn?

CASEY: He has a home theater where he either plays Backstreet Boys footage or porn. There's a Chasey Lain blow-up doll he'd put in the seat as if she were in the audience, and she'd sit there with the blowjob mouth and "watch." I never saw him use it, but I bet he probably has.

HUSTLER: Did he ever take home fans from the shows?

CASEY: I heard stories that he had, that he was involved with the mother of a fan, but I never saw it. When I first met AJ, I didn't realize how foolish he was. I had learned from doing movies to practice safe sex. That's one good thing about the industry; everybody is tested, and it should be like that in the real world when you meet somebody. But I slipped ►

when I met him, which I regret now. For AJ, safe sex wasn't an issue. He didn't want to use a condom and never even asked about it.

HUSTLER: A February 2001 *YM* magazine story about the Backstreet Boys lists "BSB's Four Biggest Turn-Ons." Regarding personalities, AJ says, "Someone who's blunt is very sexy. I think it's really cool if she can tell me, 'Hey, I think you're hot.'"

CASEY: Of course he'd think that's cool. He needs to hear that so he could believe it himself.

HUSTLER: AJ continues: "I like jeans and a tank top on girls; I'd much rather use my imagination than see a girl's cleavage."

CASEY: Yeah, that's why he dragged me to strip clubs every night.

HUSTLER: AJ's dream date is: "A sunset picnic on a rooftop with two lawn chairs and a bottle of champagne." Did he do that a lot with you?

CASEY: He never took me on a real date. We went to Hooters. Is that a date?

"As far as sex, on a scale of one to ten, he definitely gets a ten for size. He's hung. But for technique, I'd give him a four."

HUSTLER: Technically. AJ also says: "I'm really into kissing. Kissing's a lot nicer and more romantic than sex, and it lasts a whole lot longer."

CASEY: "Lasts a whole lot longer?" He's not saying much for himself. As far as sex, on a scale of one to ten, he definitely gets a ten for size. He's hung. But for technique, I'd give him a four. I don't like anal sex. If you're going to do something like that, you need to be turned-on to be able to do it. He's one of those "just let me ram it in you" guys. Maybe that's good enough for some fan, but not for me.

HUSTLER: Did you ever see him do any

drugs other than coke?

CASEY: No, he doesn't even smoke pot. I never saw him do anything but snort coke, drink and chain-smoke cigarettes.

HUSTLER: Did AJ relate with the rest of the band?

CASEY: He was definitely an outcast. We never hung out with them unless it was for work. When the Backstreet Boys did the *Today* show, I spent a lot of time with them. You could tell that they take better care of themselves. AJ is just the crazy one. He's really downright nuts. When we went out, he'd never let me drive, even when he was really wasted. He would drive drunk, although he did handle his alcohol well. Maybe the coke balanced it out.

HUSTLER: What made you decide to come forward with all this information about AJ?

CASEY: One reason is I wasted so much time on the bastard. I didn't love him or anything, but I cared about him, and I got fucked over and used. He made an ass out of me, and he humiliated me by bragging to his friends that he was banging a porn star. All I was to him was a piece of ass that did porn. I wanted to do *HUSTLER* because I knew that my story would be told the way it happened.

HUSTLER: How did it end with AJ?

CASEY: He had called me one night when he was on a layover in Miami on the way to South America. Whenever I had talked to him during those times he was so unfocused he couldn't even finish a sentence. I told him that because I knew he slept around and wasn't being careful, I didn't feel comfortable with us having sex anymore, but I wanted to be his friend. He never called me again. He was in rehab two weeks later. It was obvious he was going to end up there. One time, I sat him down in his bathroom and told him I was worried about his health. He had become really skinny. In his old videos I noticed that he used to be really built. I told him he was going to lose everything if he kept going on that track. He said, "Thank you for caring about me and I appreciate your concern, love you for it, but trust me, I'm fine. I don't have a problem." And that's how it ended. Now AJ is totally history. The one thing I learned was not to go out with any more musicians.

HUSTLER: Any plans for the future?

CASEY: Leave Florida. I'll dance while I have to, but I'm going back to school. I studied medical assisting, and now I'm going to go for nursing. I've done everything else I could possibly do, lots of crazy things, and experienced everything I wanted to. Now I'm ready for a change.

The Tight Stuff

Maybe you all have been to Florida and know this, but I doubt it: Girls from Miami are called Cubanas, and as such are the most fuckable girls I have met. In Georgia, we don't have near as many; so I never had my dick in one of these rare and exotic beasts until I went to see the rockets at Cape Canaveral.

I shelled out the \$45 for the guided tour of important, historical launch sites: Mercury, Gemini, Apollo and I don't know what all. The most interesting attraction by far was among the tour group itself: a tan girl and her mama. Both had tits out to here, and I'm holding my hand about a foot from my chest as I write.

The mother was short and squat, like if a fireplug had Ricky Ricardo's face and wore stretch pants. The daughter was twentyish, tall and pretty, like a model. The soft patch of padding around her belly button squeezed between the bottom of her green-and-orange halter top and the waist of her

pants, which were the color of MD 20/20. As I checked her out, my pecker filled out some and I took the swelling as a sign.

From the awestruck Spanish jabbering between the two ladies, peppered with cries of "Aye," I guessed they were impressed with the Navy men in the space program, like Alan Shepard and all of them. I used that angle to butt in and introduce myself as the son of a Navy boiler technician.

We all got on so well that the girl, Calida, let me stick my hand down the back of her pants and finger her slit while Mama was in the Gemini capsule. Calida's soft cleft drooled viscous appreciation onto my middle digit as she backed into me, gasping, trying to hide my exploration of her pliant nether lips from the tour guide and the rest of the group.

"You like that?" I teased, because I

knew she did.

"Aye!" she yelped.

We ditched the old fireplug and caught the shuttle bus back to my motel; I will tell you, Miami girls let you gum up your fingers in their jelly rolls anywhere, anytime, and don't say boo about it if the bus isn't too full.

Calida landed on my bed with her pants halfway off, her tan thighs open like she was making snow angels. I swirled my lips over her sweet notch, sinking my tongue deep in her meaty labes until her juicy, pink flue clamped tight. As her beef flaps greased my chin, I fought a losing battle to shove my licker into her party hole.

The Miami girl laughed, "I know, sure, it's tight. *Poosh.*"

If you ever sprained your tongue, I feel your pain, because I believe I almost did so my own self before I managed to jimmy my way into her box.

Once I set a taste bud in her cramped love tunnel, though, Calida let out a whoop that sounded like a kid letting air out of a balloon and trying to play music with it.

I shoved hard and probed her slick, steamy cunny while my teeth nuzzled her big clit. When she rolled her hips upward, I jammed a thumb into her butt. To my surprise, her browneye was looser than the twat I was yodeling into. I pressed my buried knuckles against the inside of her shithole to force the viselike cunt around my aching tongue, and Calida went off like an M-80.

She grabbed my head and flapped her legs up and down, yelling, "Aye! Aye! Aye!" like some kind of overstimulated pirate.

Having relaxed her twat muscles as I did, I aimed to plant my dong in that puckered swirl of coral. I managed to cram my willie between her thick, slippery flaps, but only head-butted the narrow opening. Fired up as I was, I almost spuzzed all over her crotch. Calida's sweaty hands grabbed the hair-trigger tool and (continued on page 40)

THE GAUNTLET

A photograph of a man and a woman in a swimming pool. The man is lying on his back, and the woman is leaning over him, her hands near his groin. The man's head is tilted back, and his mouth is open. The woman's hands are positioned near his groin, with one hand touching his inner thigh. The background shows the edge of the pool and some foliage.

"This is my first time with you," Nadia taunts Pier. **"What are you going to do to make sure it isn't my last?"** Pier lunges for a kiss, but Nadia blocks his advance. **"I've got more than one hole,"** the teasing shrew continues. **"Are you man enough to satisfy every one?"**

Pier rises to the challenge, gripping a fistful of hair. **"Bitch, I ain't never run from nothing. Now bend over."** As Nadia's mouth drops from shock, Pier plugs it with cock. Pier moans, **"I'll fuck you any way you want."**

Nadia smiles and looks up. **"Make that every way, baby."**

(continued from page 29) steered me away.

"No," she seethed, "only in the asshole. I'm virgin in front."

And at her age! I thought.

Well, I flipped her. The bubble butt that I sank my shaft into was brown on the outside, red on the inside, and fit like a glove without artificial lubrication. I had never seen such a fabulous asshole arching up to meet my groin, then massaging my pecker with the gentlest touch of stretched sphincters.

I grabbed her waist and rubbed her spindled winker left, right and I don't know what-all ways, then dug my index finger deep into her virgin pussy. I found a swollen stretch up against the roof of her front tube, which, if it wasn't her G spot, was on speaking terms with the thing.

The *Cubana* backed up onto my cock and clawed at the sheets, howling things about virgins that I took to be either Spanish or Catholic standards. She seemed to want to do the Running Man, even though she was on her elbows and knees.

I thought maybe she was having a seizure, and looked for a pencil to put between her teeth so she didn't swallow her tongue.

Then she started bucking to meet my

rhythm, and I knew she was all right. I pounded her shithole until blazing globs of pearly goo shuddered forth from my happy loins.

I pulled out and strafed her ass globes with spuzz, thinking how odd it was that her shitter was so experienced, compared to her pussy.

You can bet that the sight of my muck-coated pud popping its last several globs onto the small of Calida's back will stay with me for the rest of my days—or at least until I go down to Miami and fuck me another of their adventurous natives.

Fuck the Police

There I was, a ravishing, 23-year-old blonde with long legs and a heart-stopping heinie, driving my Tercel too fast down a back-country road. The warm air was whipping at my silk blouse and through my hair like a rough lover. Goddammit, I was horny! The radio blared classic rock so loud that the vibrating speakers made my pussy ache for relief.

I reached down and shoved my hand

between my thighs, savoring the tingling notch that moistened the tips of my fingers. It was tempting to pull off the road and play with myself, but the throb of arousal provided a twisted pleasure of its own, one that I'd come to enjoy; so even though every part of my body screamed "Fuck me!" I was inclined to let the gnawing need pile up for a bit.

The lights in my rearview mirror approached fast, just before a quick blast of police siren overpowered the radio. *Shit!* I was being pulled over!

I'd been doing 70 on a dirt road, and there was no way I could afford the ticket. I watched the lone cop in my mirror as he stepped out of his cruiser. He was reasonably attractive—tall, with just the right amount of muscle. He looked like he could pick me up and fuck me rough.

I felt a rush of adrenaline, and my already-swollen puss felt like it was on fire. Under my slippery silk top, my nipples hardened into carbon-steel nuggets.

The patrolman peered into my window. I noticed his eyes were as soft as his body was hard. *Yipe!* In one glance, the officer took in my hiked-up miniskirt, the nerps poking at my blouse like fingertips, the flush of my cheek and the please-please-somebody-screw-me-hard look in my eyes.

"License and registration," he said, but I was too distracted to respond.

I wanted to rip off his uniform and bang him till he wasn't a cop but a man again. He reminded me of a horse, tamed by society, that I could ride and ride until he reverted to his feral state.

I can't tell you how many times he asked for my license and registration before telling me to step out of the car, his voice full of sexy authority. I complied, brushing close enough to him that he could feel the heat radiating from my crotch. My hunger for his patrol manhood weakened my knees, and I stumbled against my car door.

"Been drinking?" the officer asked.

"N-no," I rasped. I let him stand me up, facing the car, legs spread.

His hands patted down my calves, creating a slow burn that moved up my thighs and under my miniskirt. When I felt him touch my ass, I let my head fall back and let out an "Mmmmmnn." My body shivered. The policeman paused a moment before beginning his search again, but he'd finally

Jewel Raider: "Anybody ever tell you that you look like Joan Rivers?"

Jewel Raider: She's not Angelina Jolie, but he's not Billy Bob Thornton. Consider yourself lucky.

Jewel Raider: The glasses say "brainy"; the splayed legs say "cheap, easy slut."

Jewel Raider

Directed by Jay Jeff.
Starring Venus, Nicole Sheridan, Dominica Leoni, Mike Horner, Voodoo and Rick Rhodes.
Videocassette: NuTech Digital.

Venus tackles the role of knockoff video-game babe Laura Croff in *Jewel Raider*. Forgoing the hoity-toity accent, Venus sticks to what she knows best—looking good in and out of the signature Tomb Raider outfit. In this version, the big-titted protagonist fucks and sucks as much as she raids. Coming face to face with her nemesis, Jerry Brown lookalike Mike Horner, Venus overpowers and straddles the fucker, slamming her cooch

on the villain's mug. "Tell me one reason why I shouldn't terminate you right now," the heroine snarls. Horner responds by slurping Venus's muff through her costume. Venus tears the crotch from her shorts and luxuriates under Mike's tongue. Later, Horner dominates, slapping his balls against the adventurer's luscious ass. Venus takes Horner's prick into her mouth and coaxes an anemic cum-shot. "You suck," she proclaims, then clocks her enemy cold. With well-choreographed gun play and martial arts, *Jewel Raider* gives viewers a wealth of action, even when their zip-pers are up. —**Nicholas Veridian**

Animated Asia

XXX Stars
Lend Their Moans
to Japanese
Sex 'Toons

In Japan, where the hand is used as a knife and cartoons are used as stroke fodder, *hentai*, or "perverted," animation overflows with bizarre sex acts ranging from pissing and bondage to demonic tentacle rape. Doing their part for free trade, Nu-Tech Digital, the premier importer of freaky anime, has cast Yankee XXX stars such as Tabitha Stevens and Nicole Sheridan as voice talent for the English overdubs of their latest titles, *Shusaku*, *Inmu*, *The Black Mail* and *Mission of Darkness*. Erotic Entertainment quizzed Asia Carrera about her vocal support for these animated heresies.

HUSTLER: Did you approach this dub differently than your usual sex role?

CARRERA: When it's only your voice, you really have to concentrate on every little intake and gasp and breath and making it all come out right.

HUSTLER: It's a whole different focus than when you're fucking onscreen?

CARRERA: Yeah, your enunciation comes in way down your list of priorities when you're just tapping in front of the camera.

HUSTLER: Did you know much about hard-core Japanese animation before this gig?

CARRERA: I hadn't seen the *hentai*. I was quite shocked when we were doing the voice-overs. Stuff that would be completely illegal in the U.S. if it was real people.

HUSTLER: Have you ever done bondage-themed stuff in your live-action XXX work?

Shusaku: An animated bang.

Inmu: Three the hard way.

Shusaku: Private lessons.

CARRERA: Yeah, but we're not allowed to do sex in bondage. I've always thought that sex and bondage was a cool combination. I think it was neat to be able to do that vicariously through my character.

HUSTLER: Were the rape and revenge themes difficult for you?

CARRERA: I found it mentally draining after three weeks to be screaming, "No, no, I can't take any more! Aahhh! Stop! Stop! Stop!" It's the little girls that get tortured that are horrible. [I was playing] one of the submissive-type characters, I guess, because I was getting all sorts of enemas and fun stuff.

HUSTLER: Otherwise it's a pretty easy gig?

CARRERA: You can't complain about a job that pays more than doing sex. I don't even have to put on makeup.

Amish Daughters: They won't use telephones, but tit implants are okay. Weird people.

Beautiful Nasty: We're guessing this is the "nasty" part.

Hotel Tales: "This Continental breakfast is pretty chintzy."

Calamity: Think their kids would've had snouts?

Beautiful Nasty

Directed by Mark Stone.
Starring Devinn Lane, Julia Ann, Adajja, Amber Michaels, Ariel, Rene LaRue, Charlie, Lola and Nakita Kash.

Videocassette: Wicked Pictures.

When Devinn Lane isn't busy telling the camera what a great spank flick *Beautiful Nasty* is, this all-girl slurpfest holds up pretty well. Blond über-vixen Julia Ann comes out of semiretirement to have Lane suck her clit like it's a particularly tasty lobster claw. A little older, but still sporting an eye-popping body, Julia frantically squeezes her inflated chest sacks while Devinn laps her snatch to a noisy climax. After a brief recuperation, Julia returns the favor and dives into Devinn's sushi taco. An elevator-shaft dykefest featuring Julia, Nakita Kash and Lola is notable both for Lola's ravenous sexual appetite and the freaked-out locals who bust in on the filming. The cast and crew scurry away with the exception of Lola, who mouths off to the huffy prudes. (Go Lola! Go Lola!) *Beautiful Nasty* never really pushes the envelope of nastiness, but the final, five-girl orgy helps deliver it from mediocrity.

Amish Daughters

Directed by Jerome Tanner.
Starring Melissa West, Adriana Sage, Jewel De'Nyle, Nina Ferrari, Gwen Summers, Dillion Day, Dale D'Bone, Joel Lawrence, Pat Myne and Tony Tedeschi.

Videocassette: Legend Video.

A pornmaker's video camera falls from the sky, introducing *Amish Daughters* Gwen Summers and Adriana Sage to the world of smut. The bonnet-clad innocents are immediately transformed by the sight of full-figured XXX newcomer Melissa West in her hard-core glory. The statuesque blonde is fucked every which way, then catches Tony Tedeschi's ball batter on her tongue. After the exposure, the two budding hussies explore their carnal sides. Gwen tempts her starch-stiff husband to commit sins of the flesh. Adriana visits a Mom-and-Pop porn shop, where a helpful staff member helps her test-drive every dildo in the joint. Finally, elders Jewel De'Nyle and Dillion Day confiscate the camera and punish the sinners, but not before engaging in a nasty anal scene. In the tradition of golden age, feature-length smut, *Amish Daughters* is funny, sexy and a bit off.

Hotel Tales

Directed by Bud Lee.
Starring Zoe, Inari Vachs, Sydnee Steele, Jessica Drake, Brittany, Dale D'Bone, Dillion Day, Eric Everhard and Eric Price.

Videocassette: Sin City Ultra.

Inari Vachs looks disturbingly like Sarah Jessica Parker's younger, cuter sister in *Hotel Tales*. When it turns out that she's been accidentally triple-booked in the same hotel room as bitch-on-wheels Sydnee Steele and titanic-jugged bombshell Zoe, the predictable, snizz-tickling antics ensue. Each of the three wenches demonstrates why she's a respected professional in the jizz biz by huffing choad, taking bonings and enthusiastically licking pussy. Sydnee steals the show by catching all of her pop-shots in the mouth. Fiery redhead Jessica Drake goes down on Steele while wearing a maid outfit that provides an extra treat for fetishistic strokers. The magic of makeup and careful lighting helps lead sluts Vachs, Steele and Zoe look about as good as they ever will. Fans of the three stars can't go wrong, and other pervs shouldn't have any reservations about *Hotel Tales*.

Calamity

Directed by Nic Cramer.
Starring Gauge, Heather Lynn, T. J. Hart, Kelli Sparks, Alex Sanders, Mojo, John Decker, Jason McKnight and Jay Ashley.

Videocassette: Pleasure Productions.

The porn industry is still reeling over the breakup of Gauge and Mojo, the ill-fated XXX power couple. *Calamity* serves as a record of simpler, more innocent days, when the onscreen talents of the two hard-core powerhouses collaboratively stirred loins. The electricity is palpable in the flick's opening scene when Mojo, cast as a porn photographer, snaps glamour shots of his off-screen love. The Southern sweetheart turns on her hillbilly charm and purrs, "I mean, you're kinda sexy, taking my pictures and all." Soon, Gauge is on her knees, burying her nose in Mojo's paunchy pelvis. Saliva streams down his perfectly shaved balls. Only the most jaded porn hound could hold back tears as Gauge flips into her patented handstand position for the couple's last performance of their trademark acrobatic move. *Calamity* is a hot, arousing reminder that our nation must learn to be strong and move on.

Specs Appeal:
"I went to
Harvard Law
School for this?"

City Lust: It was no accident that Stevie earned the nickname "Bonebreaker."

Specs Appeal

Directed by Andre Maddness.
Starring Sharon Wild, Tiffany Mason, Cherie, Violet Blue, Gauge, Mark Davis, Jay Ashley, Herschel Savage, Jack Hammer and Mario.
Videocassette: Kick Ass Pictures Inc.

Running contrary to the popular saying, four-eyed babes become objects of lust in *Specs Appeal*. Fetish hounds will love wrapping their brains around the idea of intelligent, bespectacled women letting their hair down, but everyday smut fans won't be distracted by the flick's optical premise. The vignettes portray a criminal lawyer fucking her client, a hacker babe boning a cute guy in the neighboring dorm room and a language tutor screwing her student. While some of the XXX starlets have trouble spitting out dialogue in their roles as ad execs and other fancy-talking professions, there's no denying their carnal skills. Gauge spreads her legs and holds them back as Mark Davis slides his beef stick into her gaping rectum. The lovely Sharon Wild looks fabulous in her glasses as her partner spurts his seed onto her tongue. *Specs Appeal* is fun and original; best of all, the pussy is easy on the eyes. —N. V.

City Lust

Directed by Mike Quasar.
Starring Inari Vachs, Nikita Denise, Gauge, Krystal Summers, Phoenix Ray, Stevie, Billy Glide, Joel Lawrence, Mark Davis and Dale D'Bone.
Videocassette: Metro Inc.

Wands quickly wilt when chattering cunts Inari Vachs and Stevie spend the first interminable minutes of *City Lust* talking blankly about...relationships. Apparently, Stevie is bored by the superficiality of her mammoth-dicked boyfriend, and she prattles on while Inari Vachs feigns comprehension. When Stevie's sub-idiot mook shows up, she suggests going to the library to enrich their intellectual lives but settles for sucking his cock on the patio. Despite some flattering outdoor filming, the fucking is strictly routine here, as is everything else. A modicum of humor pops up when Gauge appears as a drug rehab counselor, but the resultant laughs are mostly unintentional. There's nothing really wrong with the slits in *City Lust* (okay, maybe Gauge, but that's a totally different story), but the vid is stuck so hopelessly on autopilot that even smoking vixens such as Phoenix Ray have trouble generating heat. —C. T.

Island Fever

Directed by Joone.
Starring Tera Patrick, Julia Ann, Brianna Banks, Bobby Vitale and Devin Wolf.
Videocassette: Digital Playground.

Island Fever strands Tera Patrick on a deserted hideaway, where Patrick and friends pork beneath waterfalls, atop jagged cliffs and amid the rocks of the shoreline. Accompanied by the requisite Enigma-esque soundtrack, these couplings have all the immediacy and intensity of the 1938 Farmer's Almanac, thanks to the lack of live audio and scenic but detached settings. Brianna Banks stretches her lithe body across lava rocks as Bobby Vitale munches her mound. The surf slaps the shore, but nary a moan or crashing wave is heard. Tera porks on multiple occasions, and while her brown, voluptuous body looks appealing from every angle, the viewer aches to hear her grunt as Vitale bangs her doggy-style. Director Joone's portrayal of both the island and the sex is one of surreal, yet lifeless, beauty. *Island Fever's* wooden pantomimes of eroticism make it a total castaway. —N. V.

Carnal Secrets

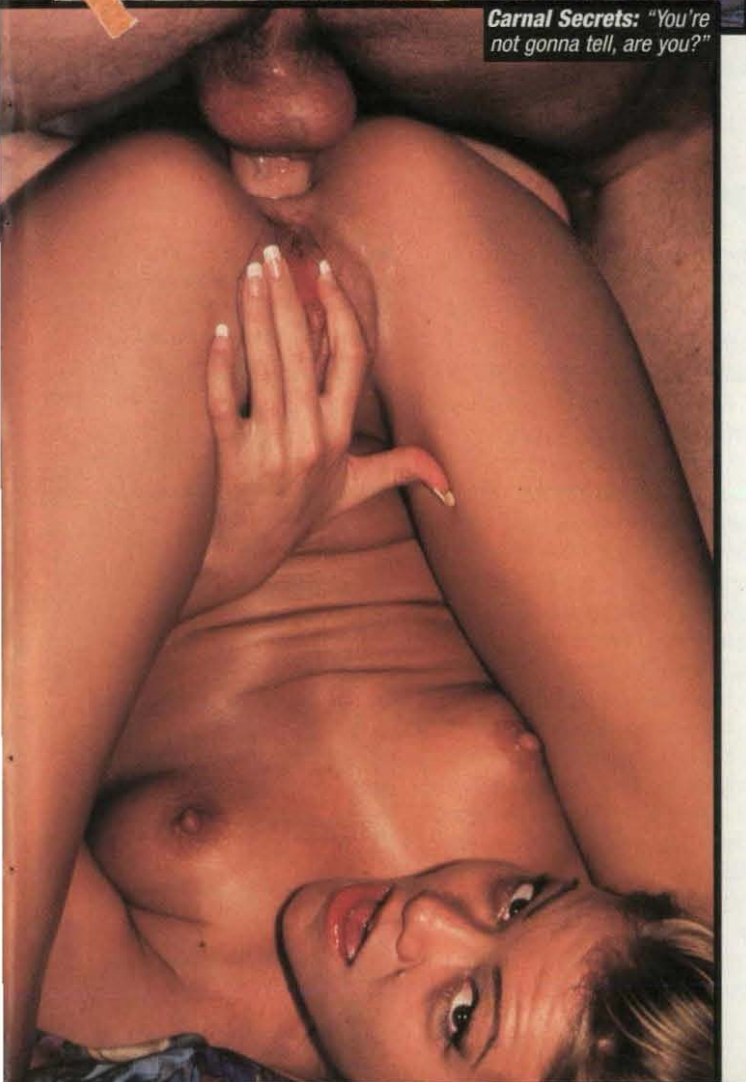

Directed by Father John.
Starring Jill Kelly, Temptress, Dee, Julie Meadows, Obsession, Bunny Luv, Halli Aston, Vivian Valentine, Bonita Saint, Eric Price, Eric Everhard, Chris Cannon, Brick Majors and Brandon Iron.
Videocassette: Knob/Ryder Entertainment Group.

Sitting through *Carnal Secrets* is like watching an unaired episode from the classic Canadian horror show *Friday the 13th: The Series*—the sheer cheesiness almost makes it entertaining. Julie Meadows, Temptress and Vivian Valentine form a coven and summon evil spirit Jill Kelly, who casts a spell that forces the naked wiccans to confront their deepest desires. Jill wears nothing but her trademark scowl when she fucks Eric Price while battling a fog machine, strobe lights and a pretty severe draft. School-play production values aside, there's no denying that Kelly's body is just about flawless, and looks even better when stuffed with cock. As for the rest of the flick, Temptress pleases Puritan strokers when she travels back in time to the Salem witch trials to fuck Eric Everhard, Dee and Obsession. The rest of *Carnal Secrets* isn't worth keeping. —C. T.

Valley of the Vampyres

On Set With
the Undead

On an unseasonably hot September day in Chatsworth, California, a gang of mooks clad in black, goth-style outfits crowds a back alley behind a line of warehouses. The porn extras fight off the heat by drinking cheap beer and palling around with scantily clad babes, who attempt to abate the rising temperature by shedding what few clothes they're wearing. Scooby, a harried production coordinator, scolds the female talent loitering outside. "We can't have any tits or anything flashing out here anymore," he pleads. Soon after, Belladonna steps outside for a cigarette. She's completely nude, but her skin is covered in black-and-white makeup to give her the appearance of a skeleton. Scooby throws up his hands, abandoning baby-sitting duties for the more important work of making a movie.

Inside, James Avalon is shooting *Les Vampyres #2*, the follow-up to last year's Fully Erect XXX horror flick of the same name. The set is anything but quiet. The crew shoots this scene Hong Kong-style, with no microphones; the dubbing is to come later. A track by industrial rockers 1000 Homo DJs blares bad-mood music from a boom box in the corner. Avalon directs husky-voiced looker Nikita Denise to "snarl like a cat" while the camera hovers around her body. Fake lightning flashes in the background. Nikita, who stands a head taller than her fuckmate, Joel Lawrence, tries to keep her fake fangs in place while sucking Lawrence's schlong.

Minutes after blowing his load onscreen, Lawrence heads outside and corners Kelli Sparks, one of the

time of the

beauties chilling with the extras outside. Like a good, little porn star, Sparks has been vamping and blurring empty come-ons all afternoon. Lawrence whips out his prick and demands satisfaction from the tease, who blushes and hastily declines.

The patient extras are eventually ushered onto the set, which is now decorated as a nightclub. A production assistant adds dry ice to a prop urinal that spurts a fountain of blood from its drain. Rockabilly band Calivera jams an energetic tune as Avalon and company roll film on their establishing shot.

It's well after 9 p.m. when the day's payoff finally arrives. Stars Siren, Ava Vincent, Holly Hollywood and Nikita Denise hit the set dressed to the gothic nines for their lesbo orgy scene. They strip, writhe and slurp as the extras eagerly look on. At the romp's conclusion, a ceremonial knife is drawn, and the scene turns violent—an inexplicable plot twist that will surely make more sense after editing.

While filming continues late into the night, extras and members of the press slither home; Avalon and his crew burn the midnight oil for "pick-up" shots. At a nearby Krispy Kreme doughnut shop, one hired ghoul sums up his experience. "I had some beer, ate some pizza, watched some hot chicks eat pussy, and now I'm having dessert. Who's gonna complain?"

Look for James Avalon's
Les Vampyres #2 to rise from Metro
Movies in spring 2002.

Prisoner: Blair, the ideal cell mate.

The Prisoner

Directed by Ren Savant.
Starring Kira, Lola, Regan Starr, Blair, Rene LaRue, April, Heaven Leigh, Candy Hill, James Bonn, T. T. Boy, Michael J. Cox, Evan Stone, Steve Taylor, Brick Majors, Ted Hunter, Dillon Day and Bobby Vitale.
Videocassette: Vivid Video.

The Prisoner could very well be the millionth fuck flick to use virtual reality as a premise, and it shows. This time around, the technology is used to imprison baddies in their own minds and reward them for good behavior with a little mental nookie. Kira's a notorious XXX star incarcerated for killing an entire porn crew. Lola plays a reporter writing an undercover story about these newfangled jails. Further deciphering of the hackneyed storyline is moot. Lame special effects, stupid plot twists and tepid fuck scenes dominate this generic smut offering, though stroke value *can* be wrung from both Kira and Lola. Kira's huge, natural jugs create instant wood. The exotic babe services a guard who bangs her booty and paints the inmate's butt cheeks with ball butter. Lola takes part in a virtual orgy, her slender form drawing the eye and elongating the prick as she's nailed by Michael J. Cox. Still, *The Prisoner* fails to captivate viewers.

Shane's World #28: "You stay away from my boyfriend."

Puritan Video Magazine #34: "Quit it, honey, you're gonna make my tan uneven."

Shane's World #28: Devil's Punchbowl

Directed by uncredited.
Starring Luna, Alana, Violet Blue, Brittany, Brie, Chris, Mario and Steve.
Videocassette: Odyssey Group Video.

Despite the obvious influence of MTV's *Real World* and its bastard offspring, *Shane's World #28: Devil's Punchbowl* is an outstanding gonzo tape. What sets it apart from other, obviously staged gonzo wannabes is the onscreen tension and jealousy between the various tramps. It's clear from the beginning that Luna has a massive crush on bottle-blond Alana's dim-witted boyfriend, Chris. When Luna finally tastes Chris's pud during an intense outdoor threeway with Alana, the competitive malice between the two sluts as they suck and fuck Chris into orbit is awesome. Violet Blue's comical pussy farts when she finally lets creepy foreigner Mario pack her snatch are another highlight. Cute sluts, funny videotaped confessions and a steady flow of raw sex make *Devil's Punchbowl* the toast of strokers everywhere.

Puritan Video Magazine #34

Directed by Alex Ladd.
Starring Nikita Denise, Violet Blue, Phoenix Ray, Zana, Gauge, Johnny Slovak, Cheyenne Collins, Jay Ashley and Pat Myne.
Videocassette: Puritan Video Productions.

As a cheerleader in *Puritan Video Magazine #34*, Arkie fuck muffin Gauge yelps, "Gimme a C! Gimme an O! Gimme a C! Gimme a K! Okay, gimme *dick!*" This gag personifies the easygoing mix of fun and raunch that makes this tape so effective. Certain hilarious elements, such as Zana's tendency to sound like a chimp on crack when being fucked, help this expert bit of filth go down easy. The hypnotic Nikita Denise scores as she wolfs down Pat Myne's cum crank. Phoenix Ray earns one-handed applause during her poolside rut with Euro-goon Johnny Slovak. Ray's curvy body and plush mams are truly natural wonders. She even manages to look like she enjoys being pounded on camera—beat that, Meryl Streep! Truly funny behind-the-scenes footage adds extra chuckles to the immensely strokable *Puritan Video Magazine #34*.

The "Mystical " G-spot

No, it is not in any travel brochures, nor on any maps. The G-Spot is not easily located. Sometimes women have a hard time finding it, and many of them do not believe they have one. In 1980, two sex researchers spoke to a meeting of the Society for the Scientific Study of Sex in Dallas and told the audience something they could scarcely believe. Alternating the lectern and each speaking for no longer than five minutes at a time, Drs Beverly Whipple and John Perry told the conference: there is a spot inside the vagina that is extremely sensitive to deep pressure. It is felt through the anterior or front wall of the vagina about 5 cm (2 inches) from the entrance. The spot is called the G-Spot or Grafenberg spot after the first modern physician to describe it. When properly stimulated, the G-Spot swells and leads to orgasm in many women. At the moment of orgasm, many women ejaculate a liquid through the urethra that is chemically similar to male ejaculate but contains no sperms. As a result of stimulation of the G-Spot, women often have a series of orgasms. For many women, it is difficult to properly stimulate the G-Spot in the missionary position. Other positions such as the one with the woman sitting astride on top or the one with male entry into the vagina from the rear ("doggie style") work better. To explore finding your partner's G-Spot, have your partner lie down knees bent and feet flat on the bed,

with a small pillow under her buttocks. Insert the length of two of your fingers into her vagina towards the navel. This will be about two inches inside the vagina. Press with one or two fingers against the front wall of her vagina. When you stimulate the right spot, it will swell the way your penis does. Have your partner tell you when you hit the right place. Slide your fingers from side to side, continue stimulating it and you may find it becomes firm and swells much like your erectile tissue in your penis. Now that you have found the G-Spot, kneeling between your partner's legs you can use your thumb of your other hand to gently stimulate her clitoris at the same time. This combination should give her very intense sensations and she may climax in this position.

The G-Ring is designed with the G-spot in mind. It will place the woman in the ring in a comfortable position with her buttocks elevated and, since it is a ring, it can be rotated easily for just the right angle for the penetration. You can even flip her around 180 degrees. She can tell you exactly the right angle for her to feel the most intense sensations of her life.

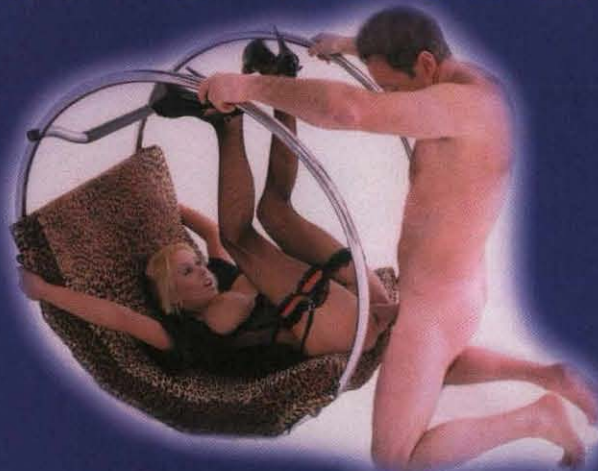

The G-Ring is the culmination of many years of research by Erotic Environments & Designs, Inc. To view a short animation of the stimulation of the G-Spot click on their web site:

Natural Male Enhancement

ENZYTE™

Medical and Scientific Breakthrough

Enzyte was developed by Dr. Fredrick Thomkins, a physician with a biology degree from Stanford and Dr. Michael Moore, a leading urologist from Harvard. The two collaborated for 13 years studying human blood flow.

"Of course I was skeptical, but the results are phenomenal. Enzyte is the real deal!"

S. Hamilton
Louisville, KY

They concluded that with the right hormonal stimuli, blood can be forced into muscle and tissue chambers, and that over a period of time, these chambers will substantially stretch and elongate. The result is the world's only all-natural supplement for male enhancement. In simple terms, Enzyte is a blood flow stimulator, which makes the most of your natural potential.

How it Works

The penis is made of two erectile tissue chambers. When aroused, blood flows into these chambers, producing an erection. The more blood that is pumped into them, the larger you will be. The active ingredients in Enzyte naturally push more blood into the chambers. Over time, as the chambers stretch, more and more blood will be pushed in, creating substantial growth in both length and roundness. Over the course of the 8 month program, your erectile chambers, as well as your penis, will enlarge up to 41%.

(continued from page 40) swallowed the bait. This time, his hands were slower, more deliberate, squeezing my firm ass cheeks, then slipping his thumbs under my soaked panties to slide them over my dripping cunt.

My trembling lips eked out a meek plea. "Fuck me, please!" I whimpered, arching my back into him. In answer, one of his hands mashed across my stiff nips, and the other grabbed at my hair, pulling my head backward. His huge hard-on poked through his pants into my butt cleavage.

"Keep your hands on the car," my stallion replied hoarsely, releasing his grip. He slid his mitts back into my panties and tore them off with one tug. I moaned like a wounded animal as his index fingers slipped easily into my fire-pit and stoked away. He leaned into my upturned face and kissed me hard. When our tongues collided, I came instantly. But I wanted more.

Apparently, so did he, judging from the urgency with which his still-clothed dick knocked at my back door. Failing to comply with the policeman's order, I spun around and tore at his pants until his fleshy nightstick leaped out at me. I jammed my mouth over the enormous boner, sucking, licking and massaging the

veiny baton with savage appetite. I saw his balls tense up; so I stroked them too.

Not ready to fire his weapon, the cop lifted me up with ease and threw me down on my searing hood. A slight pain and greedy pleasure collided as he went down on me; the heat of my engine and Officer Studly's tongue flicking my clit conspired to drive me insane. Moaning and writhing, I scrabbled at his uniform, trying to pull him to me and have that magnificent dick inside me.

Instead, the pig cuffed me and kept on licking. For the moment, he was my master. At his mercy, I came so thoroughly that I shook all over. He grunted with pleasure as my sweet juice flopped over his tongue.

"Cock," I mumbled, barely able to speak. "I want your cock."

The officer made a move to uncuff my wrists. Smiling, he switched directions and ripped open my blouse, freeing my tits, suckling them and scraping his teeth against their firm meat buttons. I wanted to scream.

"Cock!" I bawled in frustration.

He was on me before I knew it. *Yesss!* I screamed, a ravenous animal, wrapping my legs around the copper and squeezing them hard.

The gendarme's cock rammed in and

out of me like a piston in a racing engine. My firm pussy muscles clenched his hammering pud; we fit together perfectly! I was on the brink of my third and biggest orgasm when the cuffs came off. I threw my arms around the cop's neck. He grabbed my grilled-red ass and pulled me, still speared on his horse dong, to the ground.

I rode him like a jockey, urging him faster with each bounce, trying to stave off the mind-blowing climax that was gathering steam. I wanted that feeling of impending release to last forever. My screams turned to wails when two big orgasms ripped through me, one after the other. The cop stiffened under me, and, at last, a river of hot cum surged into my cunt, flooding me with such force that I went off again. He took a hell of a long time to finish spurting—I had one last, little climax at the end.

We didn't say a word after that; I just limped to my car and drove away, and so did he. On the way home, I thought, *I fucked a cop!* What else is there to say?

Some days I wish I'd asked his name, or written down his badge number. Those are the days you'll find me speeding down those same roads, dripping in anticipation of a red, flashing light and siren blast.

Split Three Ways

Aside from the color of their hair, my classmates, Jenna and Claire, could be twins. The two succulent 18-year-olds are the same height and weight; they both have wide-set, dark-blue eyes, turned-up little noses and even the same, trim figure. If they really were sisters, I'd be living my dream life. Sadly, they're only best friends, but during our threeways I'm willing to settle for the next best thing.

The first several times I nailed her, I thought that blond Jenna was as vanilla as they came. Or didn't, as the case may have been. Despite the furious banging I gave her toned little physique for 25 minutes on her parents' bed, the fresh-scrubbed cutie squeaked and shuddered but never came close to the boiling point. Jenna writhed in frustration.

I usually bust a nut inside of five minutes, and I've clocked myself at less than 55 seconds; so blowing cock snot up Jenna's uterus only (continued on page 123)

*Tells the
Fucking
Truth*

Bored Swordsman

You don't know me, but some of your readers are probably familiar with my work. I'm in my mid-20s, and have been a porn stud for the past couple of years. I've fucked hundreds of girls, and am ready for something new. I've tried to retire several times, but money gets short, or I get bored, and I go right back to XXX. Jeanna, your retirement from hard-core was both graceful and healthy. How can I leave the porn business and move on with my life? —W. C. North Hollywood, California

Porn is obviously not completely out of your system. Don't try to quit cold turkey. It's okay to "slip"; so don't beat yourself up or feel like you're a failure every time you break down and do a scene. Taper off your involvement instead. My trick was to be more selective about who I worked for. If you really want to make a clean break, the only surefire way is to pick up and move away from Los Angeles. Unless you're the best-hung stud ever to grace your profession, it's very difficult to fuck porn starlets from the other side of the country.

Surgery Killed the Video Star

My favorite porn star used to have the most beautiful, natural tits. I was appalled to find out that she recently underwent breast-enlargement surgery. This is the fifth XXX star in the past year to have what I consider an unnecessary tit job. Are producers forcing these perfectly lovely women to go under the knife? What inspires these already flawless women to mar their God-given assets with silicone sacs?

—S. Z.
Tampa, Florida

There was a time when a post-contract tit job was part of the rite of passage into the industry, and this still may be the case. For me, going on the dance circuit was the

primary factor in my decision to enhance. A huge set of hooters is a guaranteed moneymaker in strip clubs. It's also likely that all-natural starlets, when surrounded by women with store-bought tits, jump on the bandwagon in order to compete with the other, bustier ladies on the set. There is a movement among XXX stars against enhancement, and the popularity of BARELY LEGAL and other all-natural porn lines validates their stance.

Pump Up the Schlong

HUSTLER contains advertisements for dick pumps. I know they must not work, or else every guy on the planet would be walking around with a huge prick. I wonder though; do they have any beneficial uses at all?

—S. S.
via Internet

I regard pumps as yet another sex toy to add to your bedside arsenal of dildos, cock rings and lotions. You're right in thinking that the devices won't give you permanent length, but in the short term, they're great for making boners and enhancing masturbation.

Strokes for Old Folks

I'm a 75-year-old retired ironworker who has been jerking his bone since before the Great Depression. Unlike most fellas my age, I have no trouble growing wood, but I've succumbed to arthritis. It's very difficult (and painful) to make any kind of fist that would be worth fucking. My retirement home isn't the kind of place where you can slip a fin to the nurse for a handjob; so I'm up Shit Creek. Do you have any tips for a geezer who can't properly grab his joint?

—T. K.
Amarillo, Texas

Try to monitor your joint pain and attempt masturbation when your hands are their healthiest. If your back allows, try rolling over and humping a pillow. If none of these tactics work, look into a pocket pussy or penis pump for stimulation.

The Art of the Fart

I love the tickle of a queef or fart on my prick. I haven't told my wife, since every little peep that emanates from down below usually embarrasses the hell out of her. If I had my way, her privates would be a veritable cacophony of toots and honks. Jeanna, what sex positions tend to cause cavities to collect air? Also, would a particular brand of lube help increase flatulence in my partner?

—C. M.
Hershey, Pennsylvania

Doggy-style sex is infamous for building up internal air pressure. Raise your wife's butt way up in the air, let her torso and head fall to the mattress, and pump away. When it comes to inducing queefs, the wetter the better; so lube is highly recommended. Fluid helps create a seal, which allows air to be pumped in, but doesn't let much escape. When the wind does emerge, it's usually noisy. After a session of butt-banging, flip your woman over and gently press down on her abdomen. This will coax out the remaining Bronx cheers. I strongly urge you to tell your woman that her outbursts are both perfectly natural

Dear Slut

"My husband and I have been into watersports for some time. We piss all over each other every night, then fuck in the puddle."

and, to you, quite arousing. That way, you both can relax and enjoy the music.

Odor de Toilette

My husband and I have been into watersports for some time. We piss all over each other every night, then fuck in the puddle. The only problem arises after we tinkle into each other's mouths. No amount of toothpaste or mouthwash will eradicate piss breath. Any ideas?

—V. B.

Chicago, Illinois

Toothpaste and mouthwash only cleanse the mouth. I'd wager that you two are swallowing each other's bladder juice, which allows the fluid to stink up everything from your tonsils to your stomach. To eradicate the smell, chase something down after the pee. Anything from bread to grape juice will do, but shots of potent liquor stand a better chance of scouring your innards and masking the stench.

Hooker Hot-Spots?

I'm looking for a good vacation spot where the weather is beautiful and the prostitutes are cheap, clean and (reasonably) legal. What international destinations are best for an action-seeking Yankee?

—J. A.

Boston, Massachusetts

Horny travelers have long sung the praises of Asia, particularly Thailand. Brazil is gaining popularity for its gorgeous women and the strength of the U.S. dollar there; bedding a hottie will cost you a mere \$30. If you prefer English-speaking destinations, try the red-light districts of Vancouver, which many sex tourists refer to as the Amsterdam of North America. Wherever you choose to satisfy your wandering schlong, the proper vaccinations and a good supply of prophylactics are vital.

Tickled Pink

The girl I'm seeing breaks into laughter every time she comes. She assures

me that she's not goofing on me, but her guffaws still make me pretty uncomfortable. Is there a physiological or psychological explanation for this chick's outbursts, or is she reacting to my dopey "O" face?

—F. P.

Des Moines, Iowa

It's not rare for a woman to sob uncontrollably after an intense orgasm. This doesn't occur because she's sad or in pain, but because her brain and body are reacting to the huge release of a climax. Laughter and tears, while seemingly opposite reactions, are close in their intensity and easily swapped. Her guffaws probably aren't aimed at you, and they're in no way malicious. In fact, you should probably pat yourself on the back for rocking her world—and fucking her silly.

Too Young to Freeze

I'm only 18 and have been married for about a year. My husband's sex drive has always overshadowed mine, but in the past months my desire to screw

has shriveled to nothing. Fondling and pillow talk didn't work all that well before, and don't do crap now. Porn still fails to turn me on. I'm a Scorpio, Jeanna; my libido is supposed to be through the roof. My man is just as attractive as the day we met. What's wrong with me?

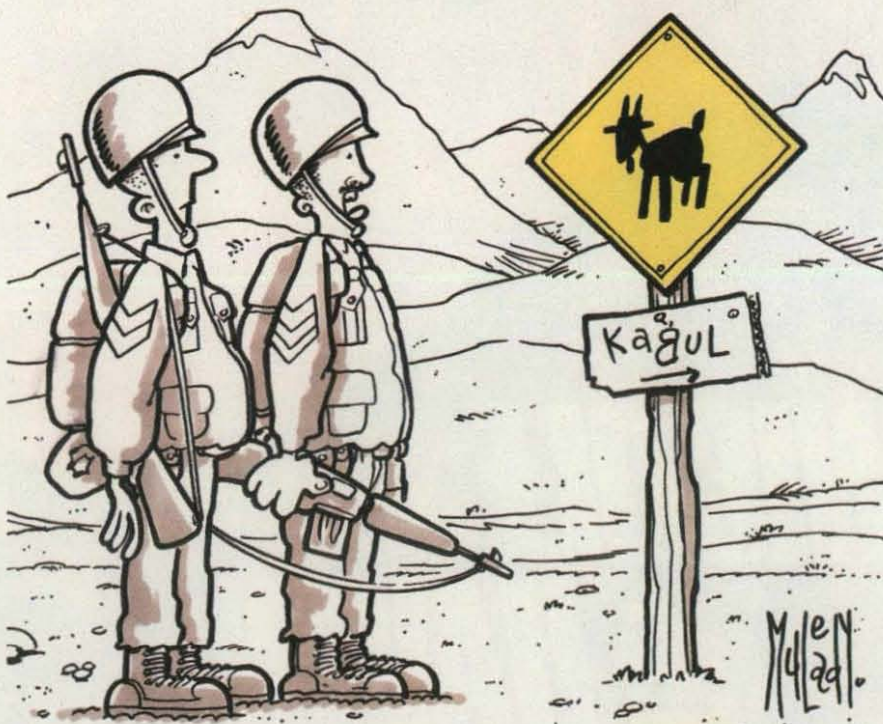

—J. K.

Women reach sexual maturity much later than men; so don't sweat it. The more you worry, the more hang-ups you'll develop. Reading erotic fiction is a great stimulus for hard-to-arouse women. Later, add masturbation to the mix. As you come to know your own body, you'll discover a million turn-ons.

TRAPEZE

On the night of February 7, 1999, Florida's Broward County Sheriff's Office, in its infinite wisdom, decided to give the swingers movement possibly the biggest promotional boost in decades.

To most of the sexed-up couples present at Trapeze, a Fort Lauderdale "on-premises" (meaning sex is permitted at the establishment) swingers club, the occasion was just another night of pursuing what most modern-day swingers simply call the Lifestyle. The mate-swappers dressed to impress, had a few drinks while sampling the hot buffet, then indulged in some flirty fun on the dance floor with spouses and dates, both their own and other people's.

As the evening rolled on, there were

quick trips to the lockers, where couples stripped down to nothing but towels before heading to the orgy rooms to watch other couples having sex, to have sex together and to trade partners for copulatory teams of two, three, four or more.

At the height of the festivities, some of the "swingers" suddenly flashed badges, and Broward Sheriff's Office (BSO) operatives announced that a raid was in progress. (Since several cops later admitted to becoming completely naked in order to blend in with the natives, exactly where they hid their IDs is one of the great unsolved mysteries of the case.)

The BSO's sting netted a total of 24 people, including the club's co-owners, Alan Mostow, age 49, and Dennis Freeland, 48. All were charged with lewd and lascivious behavior. Mostow and Freeland were later additionally charged with encouraging "lewdness, assignation [basically pimping] or prostitution."

"It was horrible," says Mostow, a father of two. "My two teenage daughters had to see their father on the news being led away in handcuffs. My youngest daughter was 16 at the time. The whole thing was traumatizing. The high school kids tormented her—'Does your mother swing too?' 'Do you know who your real father is?'—terrible stuff like that. I don't have any other regrets

about the choices I've made in life, but that is the one deep regret I have—the pain that they went through. And it went on for over a year."

The damage to Mostow's family aside, at first the Trapeze bust seemed to be another slam dunk for the sex police. Typically, when middle-class folks are discovered partaking of naughty pleasures, a quick, quiet guilty plea and a slap-on-the-wrist fine clears the court. Indeed, three weeks earlier, a raid on Athena's Forum, another Broward County swingers club, resulted in 31 arrests. Most of the defendants pleaded guilty and paid their \$167 fines. The club declared bankruptcy and closed its doors.

In the Athena's case, Broward police and prosecutors presented themselves

a case of consenting adults
doing what they
feel is appropriate
for them."**

to the county's citizens as defenders of community decency, while the "guilty" parties went home chastened. But as the Trapeze case unfolded, the Broward community at large expressed that it didn't particularly want its decency defended. More importantly, the arrested couples refused to go home, chastened or otherwise. Unwilling to take the sex bust lying down, the Trapeze owners and their customers decided to fight the case in court.

"I remember on that night, I had two reactions," says Mostow. "My first reaction was to want to run and hide; we could have folded our tents and gone away. But my second reaction was,

Hey, we haven't done anything wrong. Goddammit, this is America. If I'm behind closed doors, even if it's with 50 couples, I should have the right to do what I like."

"This was purely and simply a case of consenting adults doing what they feel is appropriate for them," Freeland adds somberly.

The people of South Florida and the local media agreed with the Trapeze owners. On radio talk shows, newspaper letters columns and Web sites, support for "the Trapeze 24" was overwhelming.

Although the BSO and Broward prosecutors must have realized that they had stuck their fork in the toaster on this one, there was no pulling the plug;

the case moved forward to trial.

At first, the public was titillated and scandalized—especially since a number of law-enforcement officials involved in the bust had not been part of the raiding party; they were swingers arrested for having sex at the club. Rory Middleton, a BSO corrections officer, Ray Hall, a Fort Lauderdale patrolman and Hall's wife, Lynette, a veteran dispatcher for the Oakland Park police department, were among the people

A BRIEF HISTORY OF SWING

While many cultures gravitate toward monogamy, just as frequently, civilizations have seen the wisdom of playing well with others. Swinging can be found at just about any point in history.

100 B.C.: When in Rome

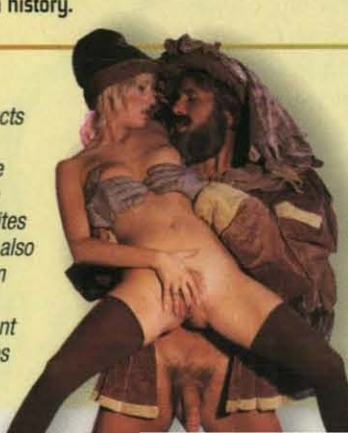

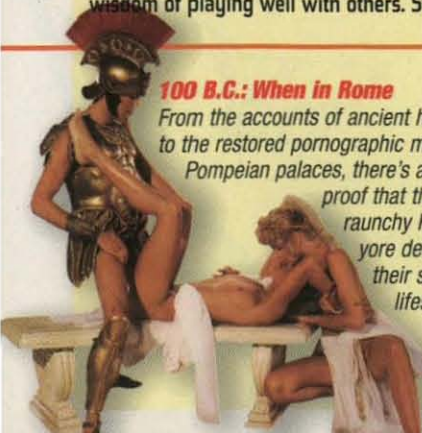

From the accounts of ancient historians to the restored pornographic murals of Pompeian palaces, there's abundant proof that the raunchy Romans of yore delighted in their swinging lifestyles.

200 A.D.: Holy Rollers

Various radical Jesus-worshiping sects believed traditional, external moral laws—including sexual ones—were unnecessary for true Christians. The second-century North African Adamites not only worshiped in the nude, but also condemned marriage because Adam hadn't practiced it. The heretical Carpocratian Gnostics reputedly went even further, turning Sunday services into full-tilt fuckfests.

1800: Carnal Communes

In our own country, the Oneida Community, which started in upstate New York in the 1840s, practiced open erotic relationships. And speaking of alternatives to monogamy, need we mention the Mormons?

swept up in the raid. Two public high school teachers were also arrested.

Soon, community outrage came to focus almost exclusively on the fact that local officials were spending taxpayer money to prosecute consensual sex in a private setting between upstanding citizens, including lawyers, medical professionals and homemakers.

In the courtroom, jurors were shown grainy video footage of nude swingers engaged in sex, shot with an undercover cop's "fannycam," a fanny pack

equipped with a spy-cam. The undercover cops wore hoods as they testified.

Jurors were shown grainy video footage of nude swingers engaged in sex, shot with an undercover cop's "fannycam," a fanny pack equipped with a spy-cam.

While many of the officers admitted to stripping naked in the line of duty, one cloaked female detective explained how she used a "death grip" on her towel to prevent revealing her nude body as she watched men and women engage in acts she deemed lewd and lascivious.

"If you look at clubs that do get shut down around the country, it's usually because they've failed to comply with some zoning or health code or something of that sort," says Trapeze owner Freeland, who is also a construction contractor who painstakingly built and maintains much of Trapeze's elegant interior with his own hands. "They can't

shut you down because they disagree with your morals, but they can shut you down if your TV screen is too big."

Officials couldn't close Trapeze at all; the club is private, with all its *i*'s dotted and *t*'s crossed with local code-enforcement officials. In June 2000, a year and a half after the busts, the case was finally thrown out of court. In a directed verdict, Broward County Judge Robert W. Lee told jurors that, while Dennis Freeland knew sex was taking place at Trapeze, "he operated the place so that people would not be offended by this activity. The Legislature did not make it a crime to operate a place for sexual activity."

Other judges had already concluded that, in order to prove a case against the swingers, the state needed to produce witnesses other than undercover cops who were "offended" by the sexual activity. Lee's ruling effectively put an end to the prosecutions and gave the green light to swinging in South Florida.

Not that the Lifestyle needed much encouragement by that point. A funny thing happened to the local swing scene in the months following the raid. At first, attendance at Trapeze and other area clubs dropped off radically for fear of undercover cops, with or without towels, raiding them again. But as public and media sentiment turned in Trapeze's favor, membership actually inched up past the pre-bust levels. And when *48 Hours* aired a long, decidedly pro-Lifestyle segment that prominently featured Trapeze, interest rose like a stiffening prick.

"I'd get phone calls from people wanting to come to the club for the first time," says Mostow. "When I'd ask where they heard about us,

1943: High-Flying Swingers

The Lifestyles Organization's Stephen Mason observes, "Swinging is said to have gotten its most recent impetus during WW II when fighter pilots—along with their wives—lived in close proximity and shared both an uncertain future and an intimate emotional bond."

1969 to 1979: Scummers of Love

During the '60s and '70s, the hippie movement and the "psychedelic revolution" brought about a sea change in sexual attitudes, fostering the erotic exploration of libidinous liberty and creating a boom market for lice-shampoo manufacturers.

1970s to 1980s: Start Spreading the Cooze

Larry Levinson practically defined modern swinging when he and Frank Pernice opened Plato's Retreat, the world's biggest on-premises swing club, in New York City. Plato's virtually ruled the swing world until the fear of AIDS and the wrath of the IRS forced the club's closing in 1985.

1990s-Present: Bawdy in Broward

In a time when the rest of America needs some damn reason to think well of Florida, Broward County is currently home to more swing clubs per capita than any other county in the nation, allowing the state referred to by Homer Simpson as "America's wang" to rightfully claim the title of the Magic Kingdom of Swing.

Revenge of the Swingers

they'd say, 'On television.'

Freeland points out that, of the 10,000 couples who paid the \$20 membership fee in the club's first 2½ years, 5,000 had joined since the raid.

In the age of AIDS, many people may be surprised to learn that swinging is alive at all, let alone enjoying an increasing popularity. But the Sunshine State has clearly become the epicenter of a resurgence. According to one estimate, there are 42 swingers establishments in the state, and the North American Swing Club Association lists 26 affiliate members in Florida. Only California, with its much larger population, can claim more clubs, making Florida the per-capita winner.

"There's a kind of island mentality in Florida," observes Dr. Stephen Mason, Director of Media Relations for The Lifestyles Organization, a California-based swingers consortium. "People tend to spend more time out of doors, and there's an emphasis on being fit. When you do those things, libido increases. Besides, Florida's a place where many people have come from elsewhere to start new lives. They have

fewer commitments and more interest in sexual exploration."

Although Mason agrees that Florida leads the Lifestyle growth spurt, and Trapeze's legal fireworks were great for bawdy business, he maintains there has never really been a downturn in the swingers movement since the '70s.

**Trained

Frank Pernice was
clearly chosen
by fate to be a
swing-club
manager.**

"Actually, it's more that the media lost interest in swinging for a while," Mason says. "The real number of swingers hasn't dipped at all. We track swing clubs all around the country, and their memberships have gotten bigger and bigger every year."

Consciously or not, Trapeze is constructed in the style of a temple. Acolytes enter a large, dramatically lit public area, featuring a buffet, a long, L-shaped bar and a dance floor, elegantly appointed with paneled walls, tiles, faux-marble columns and indirect lighting. As the evening progresses, couples tend to drift toward the club's controlled-access section, where the mysteries of the Lifestyle unfold. There's a smaller back bar, followed by a lounge area, and then the locker rooms, where one must strip down and don a towel before proceeding to the big back area where the action is.

In this rear chamber, there's still another bar where towels—or no towels—are proper attire; a hot-tub room with three large, green-tiled tubs set side by side; two orgy rooms, one big, one small, with subdued lighting and wall-to-wall raised mattresses; and numerous small rooms where couples can go for more private couplings.

Trapeze is by no means the only game in town. There are at least six clubs in Broward alone, including Trapeze's main competitor, Plato's Repeat. If that name sounds like a ripoff of Plato's Retreat, the icon of mid-'70s swinging, it's not; the Florida club was founded by Frank Pernice, one of the owners of the original Plato's.

When Pernice and "King of Swing" Larry Levinson launched Plato's Retreat in New York in the mid-'70s, swinging was an idea whose time had come—and kept on coming until 1985, when a combination of AIDS fear and legal troubles due to tax evasion closed Plato's down.

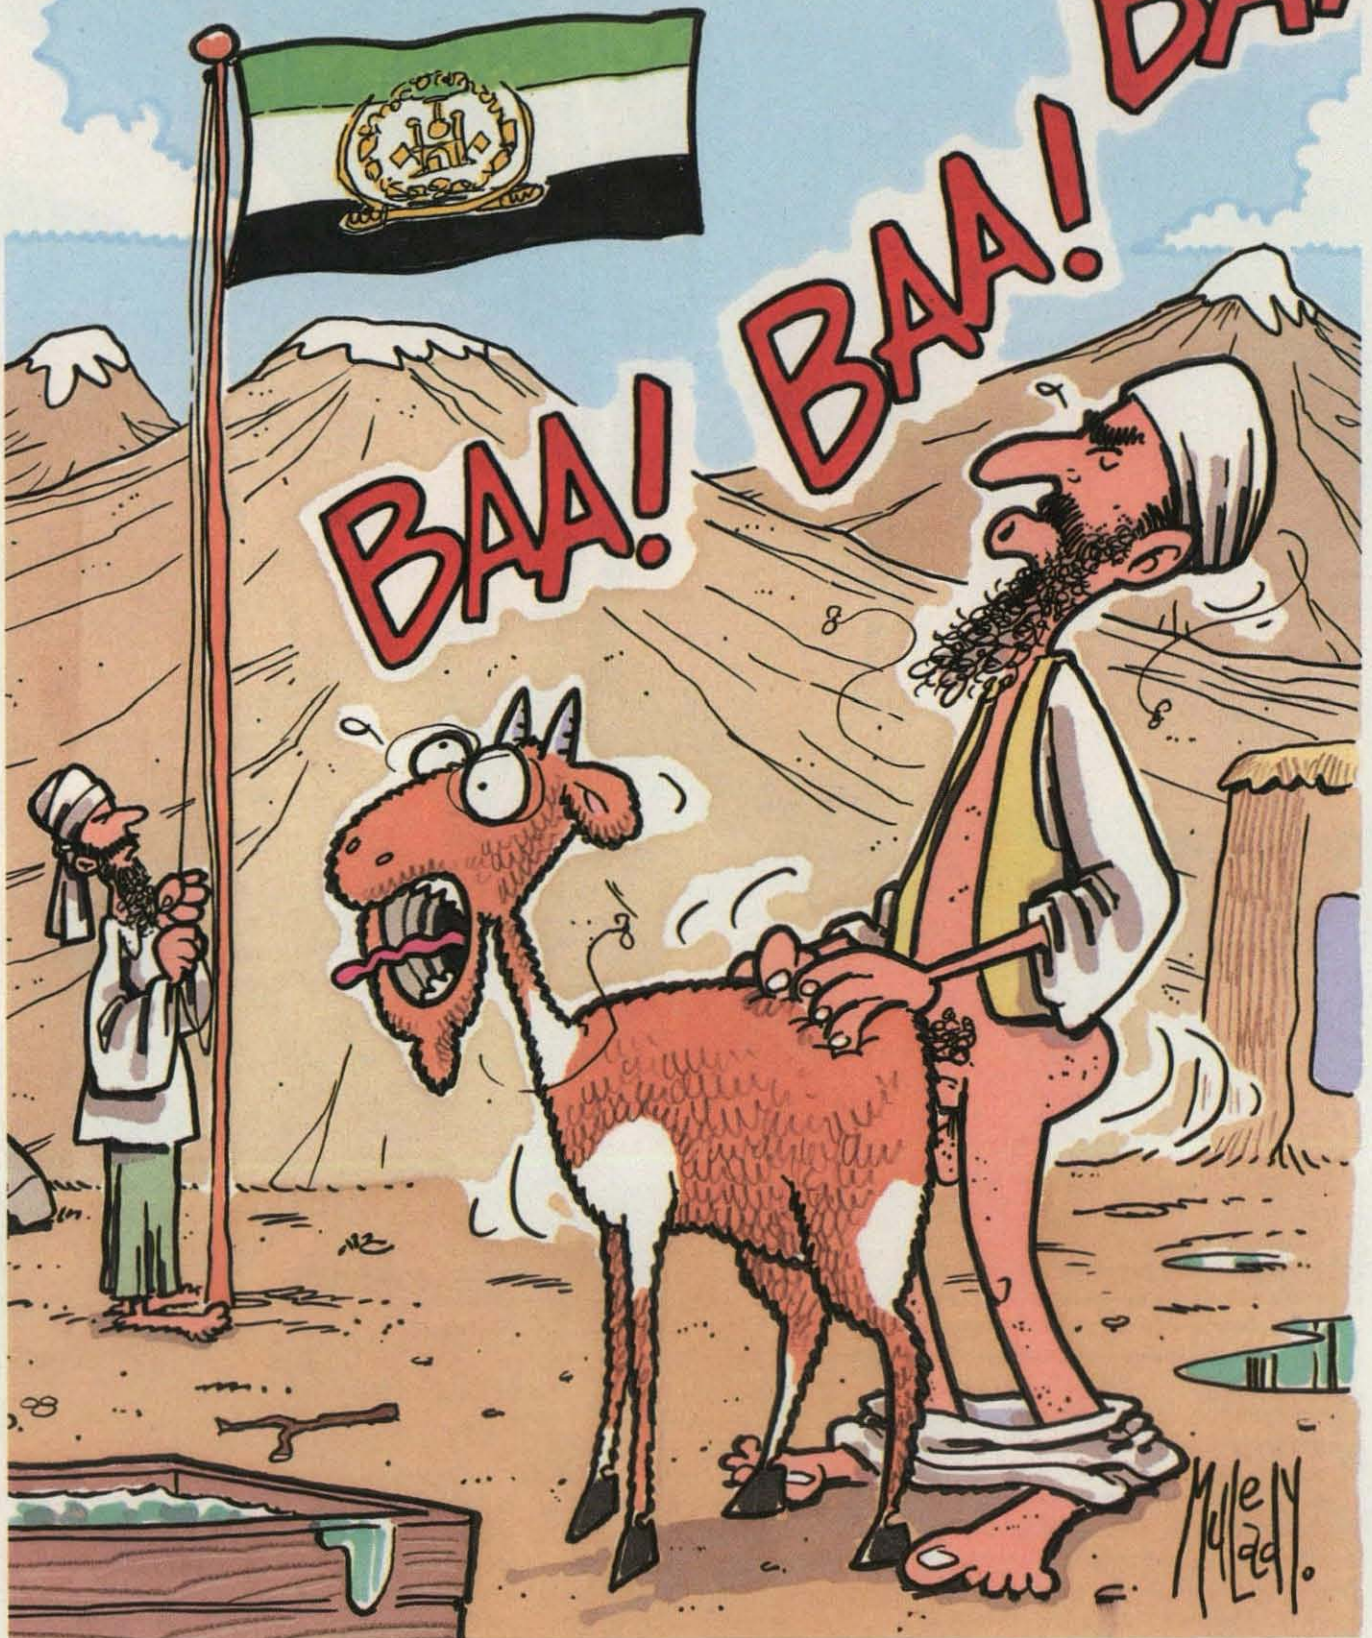

In the aftermath of the Retreat's legal difficulties, both Frank and Larry took extended vacations courtesy of the federal government. While Frank was away, his wife Claire opened a restaurant in the Fort Lauderdale area, and when Frank left prison, he helped her run the eatery, without great success.

"Frank hated the restaurant business," Claire recalls. "His love was catering. He loved doing parties, weddings, bar mitzvahs. He was a butcher by trade."

Trained in the handling of raw meat, Frank Pernice was clearly chosen by fate to be a swing-club manager. Recognizing there was already a lively swing scene in Broward but no really great club, Frank bowed to his destiny (continued on page 112)

Little Sally approached her mother and said, "Mommy, Johnny, the boy next door, wants to get married. Is that okay with you?"

"But, Sally, how do you expect to live without money?" joked her mother.

"Well, I get 50¢ a week in allowance, and Johnny gets 75. We think that'll do," Sally answered.

"What if you and Johnny have a baby?" her mother teased.

"We won't," Sally replied. "He always pulls out before he comes."

Question: How do you tell a U.S. soldier from a terrorist?

Answer: A U.S. soldier smells like foreign pussy, and a terrorist is one.

In 1944 two Jewish men learned that Hitler was going to be on a certain street corner in Berlin at noon on the coming Friday. They quickly assembled an arsenal of weapons, staked out a perch and waited, ready to assassinate the evil dictator. At 11:55 they already had their fingers on their triggers. Noon came and there was no sign of Hitler, but they maintained their positions. At 12:05 Hitler still hadn't arrived. At 12:15 Der Führer was nowhere to be seen.

After nearly an hour, the first assassin turned to his partner and said, "Gee, I hope he's all right."

A musician was hired to play an instrumental solo for a film score. After he finished, the director said he'd be notified when the movie was released. Months later, the musician received a letter stating that the movie would premiere in an adult-movie house.

Embarrassed but curious, he went to the opening wearing dark shades and a raincoat. After scoping out the crowd, he sat next to an elderly couple in the last row. The film was loaded with explicit sex scenes: oral, anal, bondage and, for the grand finale, a dog had sex with the female star.

Horried, the musician turned to the elderly couple and whispered, "I just did the music for this movie and only came here because I wanted to hear it."

The bewildered old woman replied, "My husband and I just came to see our dog."

A drunk walked into a tavern. After staring for some time at the only woman at the bar, he walked over to her, put his hand up her skirt and fondled her. The shocked woman slapped him. The drunk apologized, "I'm sorry. I thought you were my wife. You look exactly like her."

"Why you drunken, worthless, insufferable asshole!" she screamed.

"That's funny," the sot slurred, "you sound just like her too."

The HUSTLER Dictionary defines *genital warts* as: a warning label in Braille.

Fat Mrs. Daniels was moping at a Weight Watchers meeting. "My husband made me come here," she lamented to the woman next to her. "He wants to bang a skinny girl."

"Well," the other heifer offered, "soon he can."

Question: What does a Cuban do if he gets a flat tire?
Answer: He drowns.

After her doctor had prescribed testosterone, a woman went for a follow-up visit and told the medic that she was worried about the side effects she had been experiencing. "Doctor, the hormones you've been giving me have really helped, but I'm afraid that you're giving me too much. I've started growing hair in places that I've never grown hair before."

The doctor reassured her. "A little hair growth is a perfectly normal side effect of testosterone. Just where has it appeared?"

"On my balls," she answered. "Which reminds me of something else I need to talk to you about."

TERRORISM

A SURVIVAL GUIDE

REPORT BY DAN KAPELOVITZ

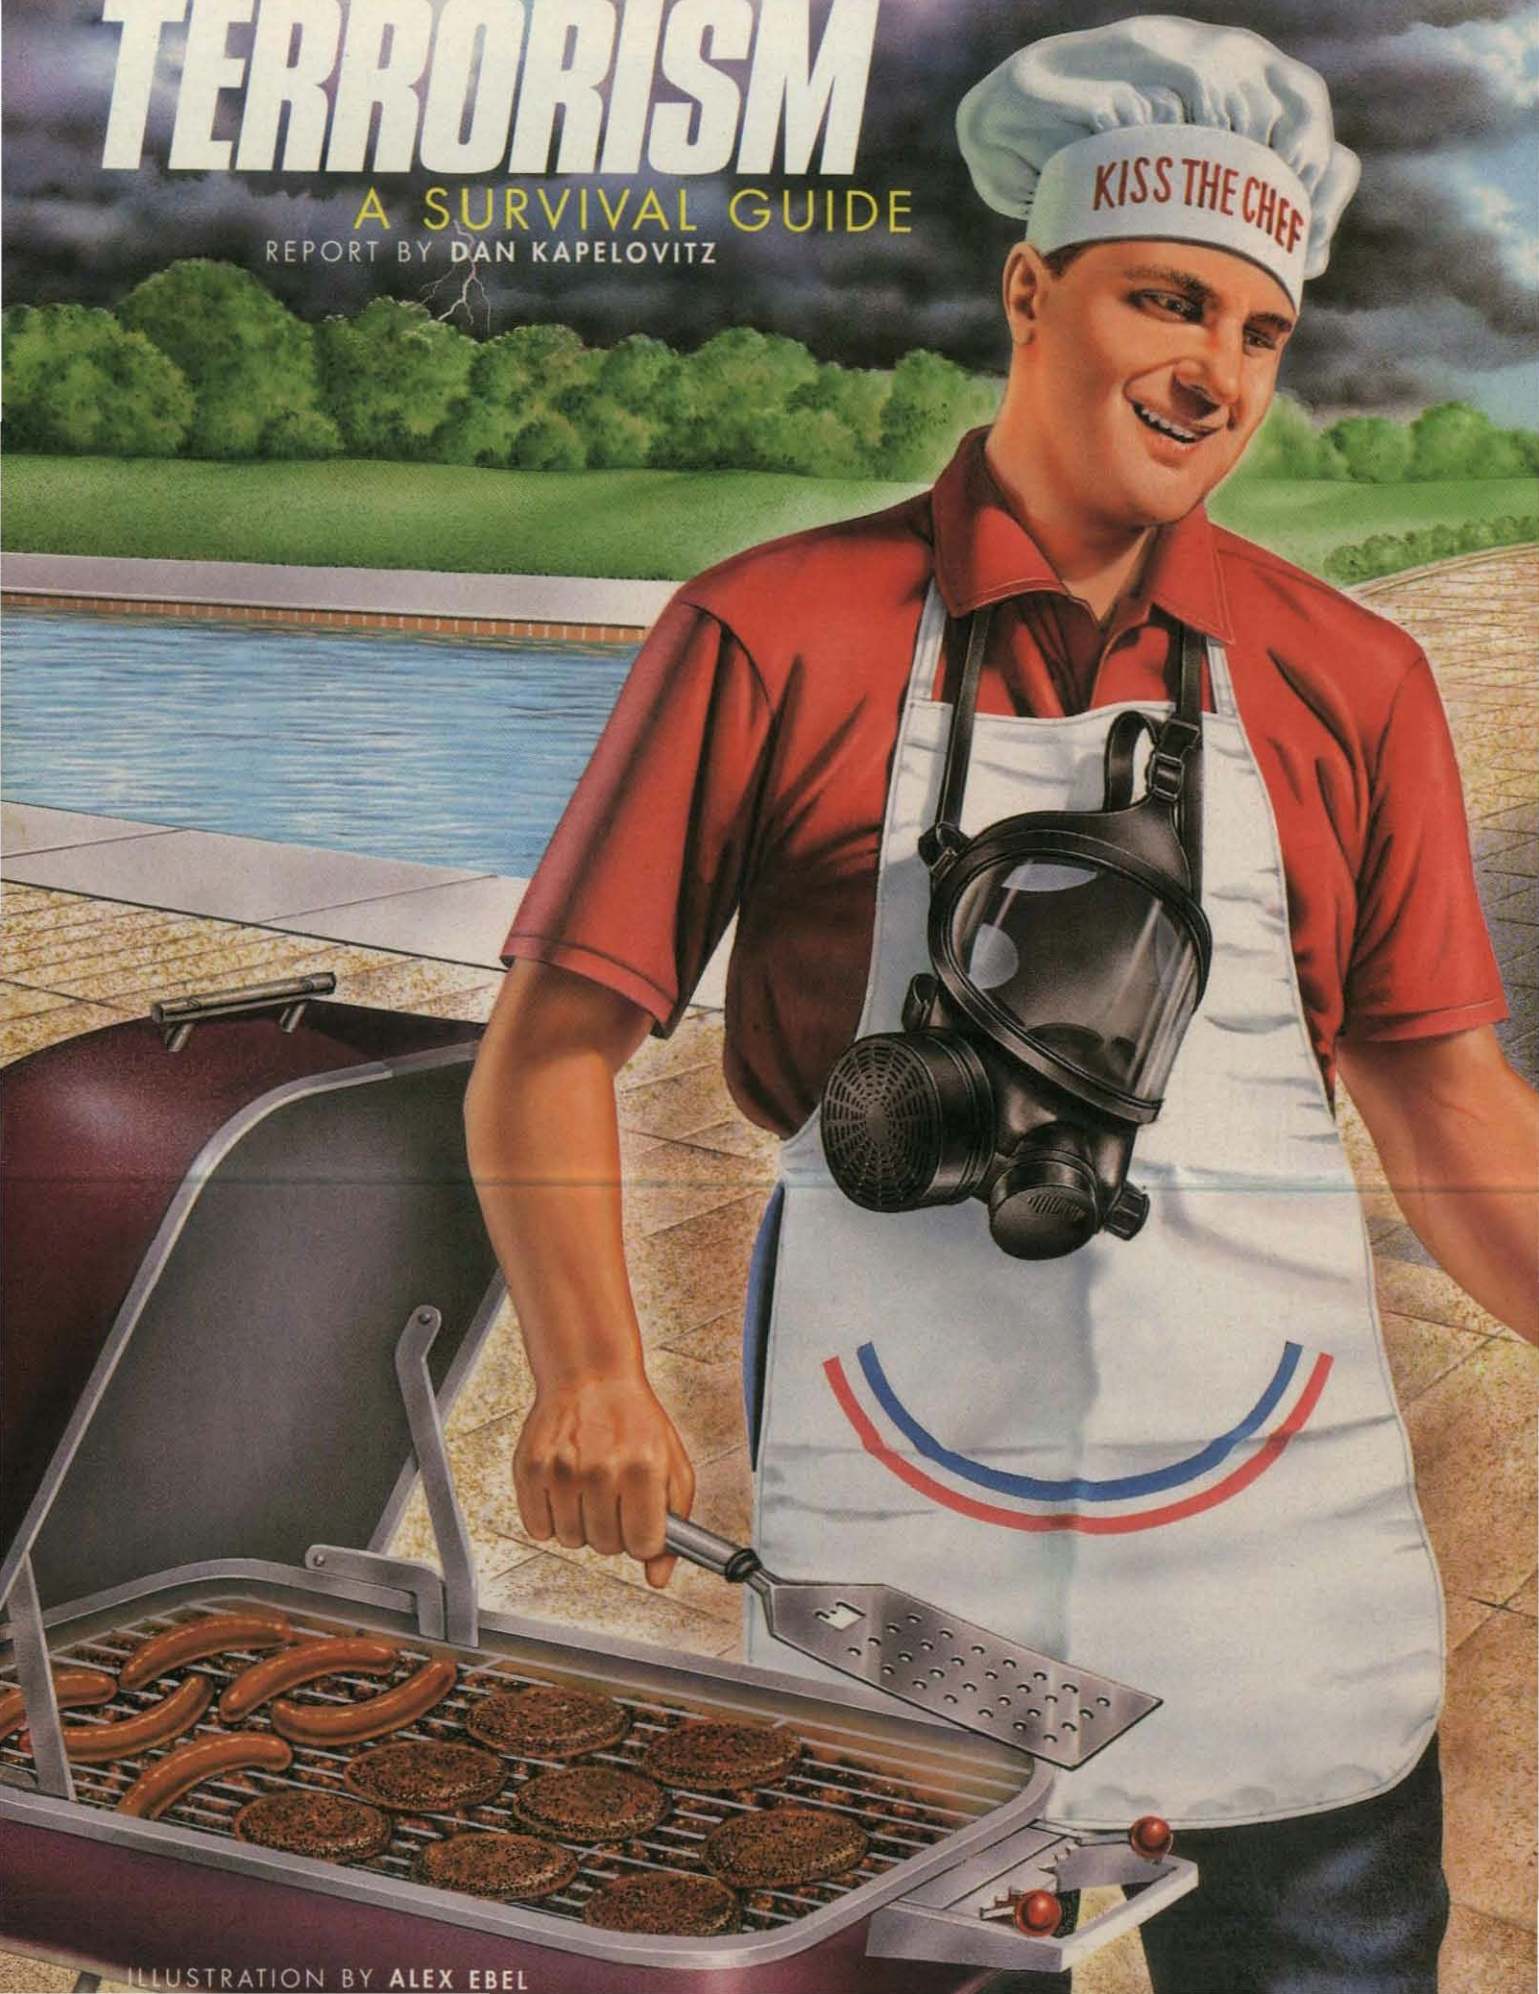

ILLUSTRATION BY ALEX EBEL

In this new kind of war, the use of **nuclear, biological, chemical and radiological weapons on our home soil** is all too probable. Individual Americans may feel they have no safe harbor, but **certain measures can mean the difference between life and death.**

Terrorism: A Survival Guide

A single-engine crop-dusting plane flies over an American city, releasing large quantities of odorless, invisible spores of freeze-dried anthrax from dozens of wing-mounted nozzles. Two days later, thousands of people feel symptoms similar to those of a common cold or flu: sniffing, sneezing, coughing, aching head, fever and the inability to rest. Shortly thereafter, patients overwhelm hospitals, suffering from severe respiratory problems, abnormal water retention and shock. Some are treated with high doses of antibiotics and eventually given a vaccine, but the supply of such drugs quickly runs out. Many of those treated with medication and 90% of those who aren't choke to death on their own blood. As the afflicted's lungs hemorrhage, their sanguine fluid becomes poisoned and their internal organs die.

This is just one of an endless number of scenarios in which terrorists could cause massive casualties using biological weapons. Anthrax and smallpox are the most talked about biological agents, but there are many others, such as those that cause bubonic plague, botulism and tularemia, also known as "rabbit fever," a highly infectious disease causing pneumonialike symptoms that is

usually contracted from contact with infected animals or ticks. While smallpox is not as deadly as anthrax ("only" 30% of those infected will die), each carrier becomes a walking biological weapon able to infect others with nothing more than a sneeze or cough.

In addition to biological warfare, chemical, radiological and nuclear

"If you want to know what Islamic terrorists would attack in your neighborhood, go to the drugstore and look at the postcards. It's going to be Disneyland, the Statue of Liberty, the Empire State Building. They're interested in casualties."

weapons are all possible ways that terrorists could snuff out American lives in large numbers. What can the general public do to protect itself?

"Don't be there," answers Bruce D. Clayton, survivalist and author of *Life After Doomsday: A Survivalist Guide to Nuclear War and Other Major Disasters*. "If you want to know what Islamic terrorists

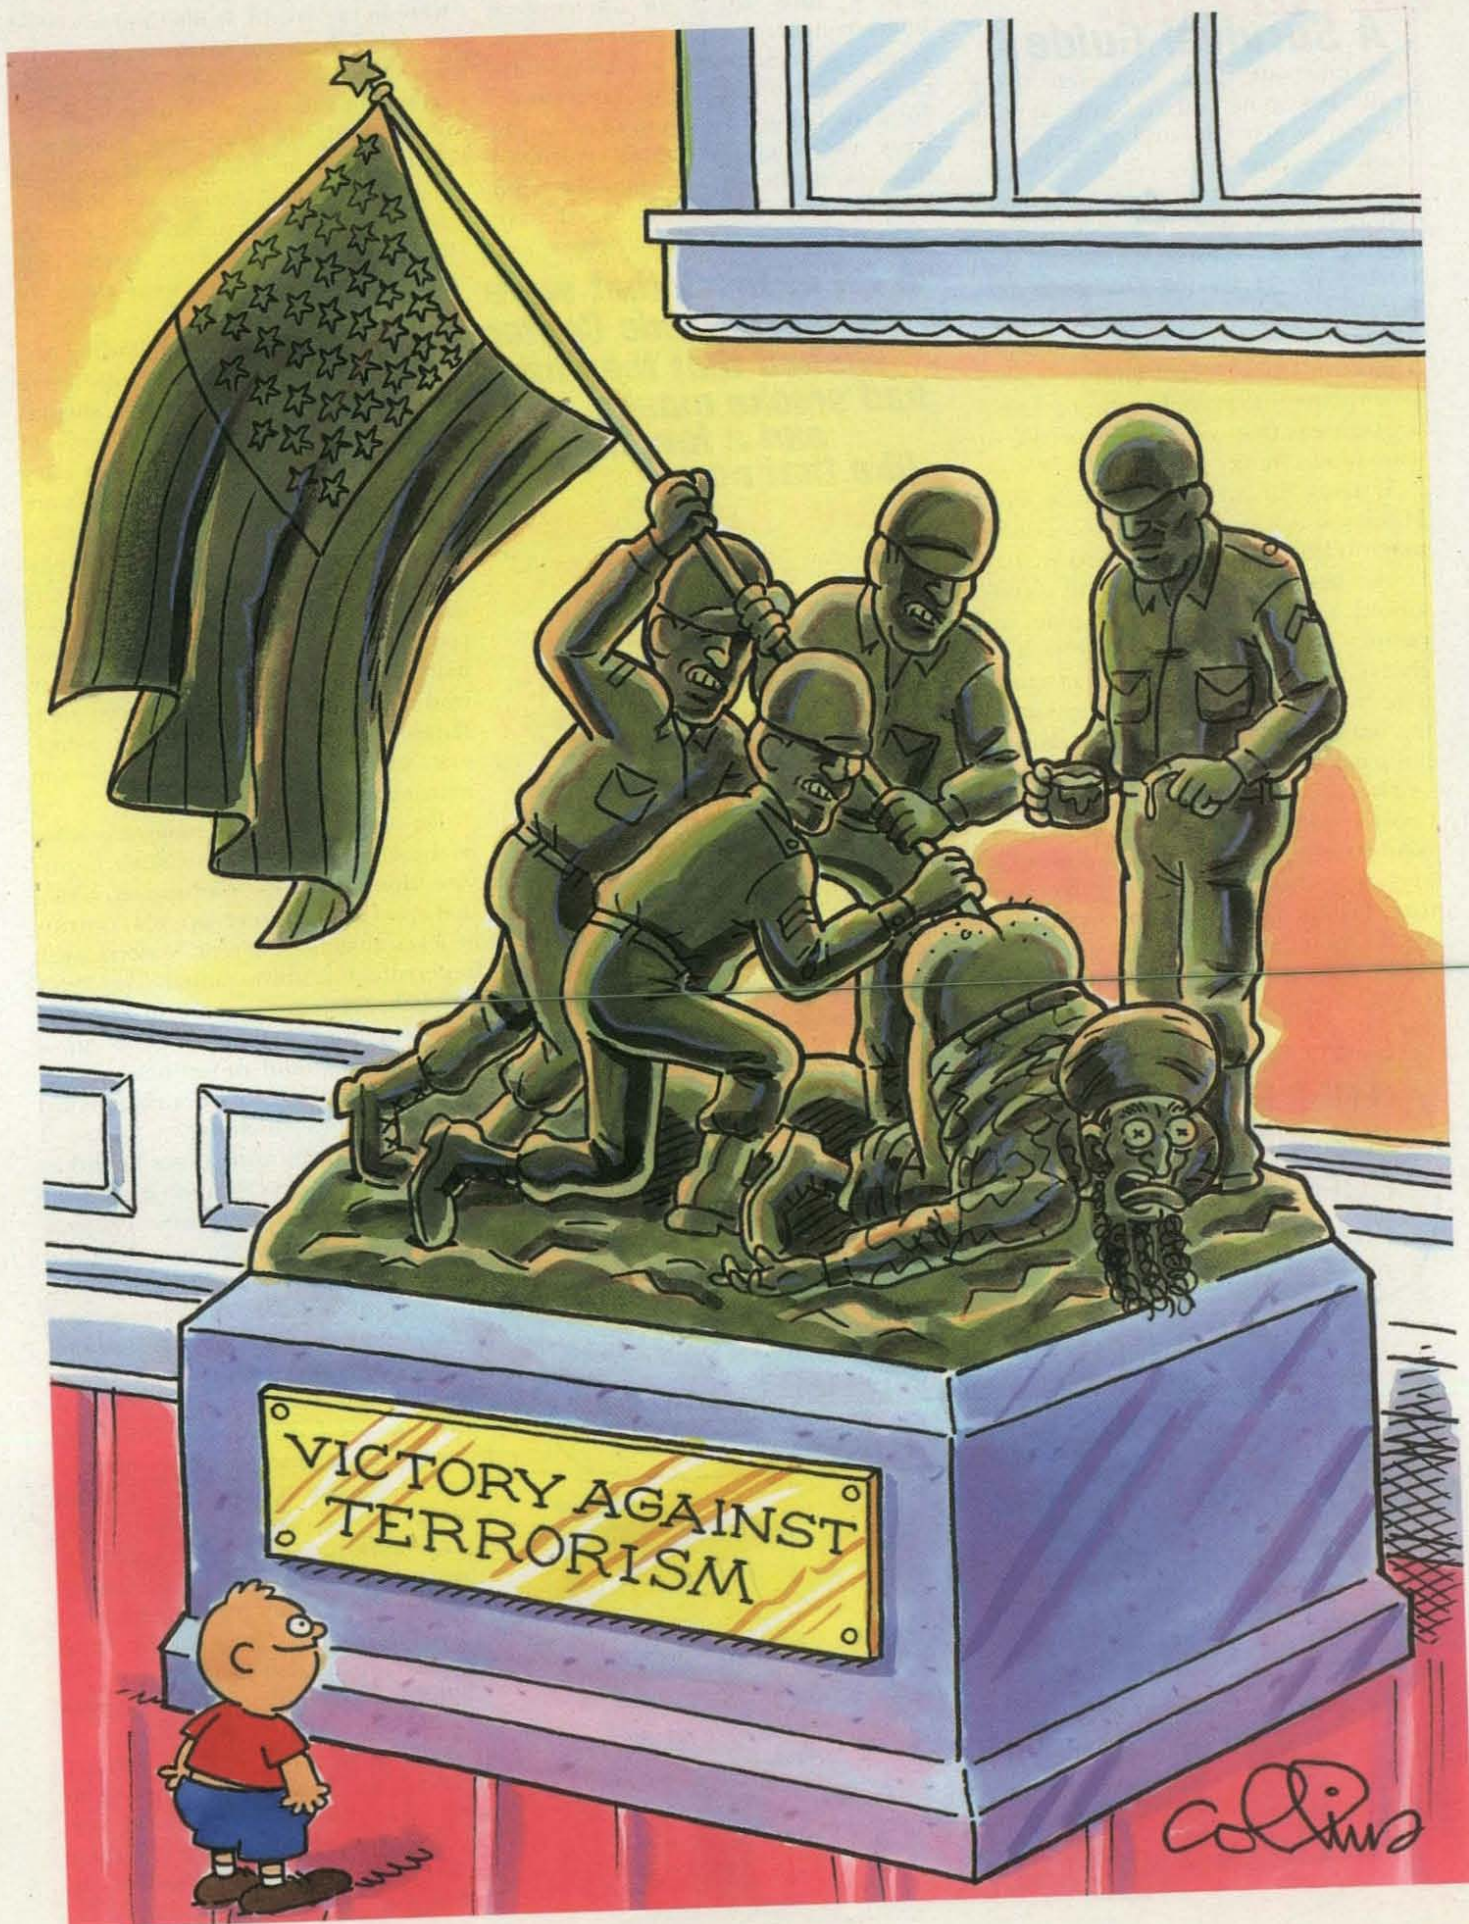

would attack in your neighborhood, go to the drugstore and look at the postcards. It's going to be [targets such as] Disneyland, the World Trade Center, the Statue of Liberty, the Empire State Building, the U.S. Congress and the White House. They're interested in casualties; they're probably not going to fly a jetliner into Mount Rushmore—they can't kill enough people there."

While Clayton, who lives in an undisclosed and sparsely populated rural town, doesn't believe we should never visit national monuments, he does advise against spending large amounts of time at them. "You're visiting New York, and you want to see the view from the top of the Empire State Building—sure, you're only going to be in the building an hour during your whole life. That's a very tiny risk. But if you live in New York, and someone offers you a job in the Empire State Building, [taking the position is] not a good idea. You're gonna spend a third of your hours sitting in an attractive target. Find a job somewhere else."

Neil Livingstone, a security expert and coauthor of *The Poor Man's Atomic Bomb*, doesn't advise relocating, but not because certain areas make more enticing terrorism targets than others. Rather, he believes that no place is 100% safe. "The problem with moving to the hinterlands is that's where some of the loony-toon groups exist that are racist and anti-Semitic, the militia-type groups. And we've had some of those groups flirt with developing chemical and biological weapons. They haven't been successful, but they have accumulated some poisons. There was a cult in the U.S., the [followers of] Bhagwan Shree Rajneesh, who were trying to poison the people in Antelope, Oregon, so they could take over the county. They were doing that with salmonella and other things; so if you think you can move to Antelope, Oregon, to get away from [bioterrorism] or Dipstick, Georgia, you may not have Middle Eastern terrorists, but you have other types of threats."

Those seeking to avoid terrorism by moving to the boonies should also make sure they aren't relocating near any of the 103 nuclear power plants in the United States; each one is a potential terrorist target. Attacking them could create fallout problems worse than those that would result from a nuclear bomb. "The nice thing about nuclear-war fallout is that it decays very rapidly," says Clayton. "If you can get into a safe spot and stay there for 14 days, you

Terrorism: A Survival Guide

can come out again. And even in the really hot spots you can get out long enough to drive out and get out of the really hot zone."

By contrast, Clayton notes, "There's plenty of expended nuclear fuel sitting around in 55-gallon drums around nuclear power plants. That stuff does not decay quickly; it remains as radioactive as it is for quite a long time—years. Think of Three Mile Island—crashing an airplane into it could create a radiological mess that would force people to abandon a chunk of the state."

Leaving the area would not be easy. Massive evacuations would likely cause major traffic problems. Motorcycles may be the best method of escaping a congested city. People should plan an escape route using small streets and always have bags packed with essential items ready to go. Sitting tight and waiting out the gridlock is another, though not particularly attractive, alternative.

There is some good news for West Coast residents: Because the jet-stream winds travel east, living to the west of a nuclear disaster offers some protection from fallout. Unfortunately, people living far away or upwind from a nuclear power plant may not be completely safe from radiation. Terrorists could deto-

nate a "dirty bomb" (a conventional bomb containing radioactive material). "Our fear would be that you have another Oklahoma City," says Livingstone. "And instead of just having a bomb, you have radiological material scattered throughout the city and into the wind with an explosive device. You'd have many more casualties in that event."

"A lot of firms that were in the World Trade Center wished that they had had smoke masks and a few things like that now."

Twelve bucks each, and they didn't want to make the investment."

In the case of a radiological attack, taking either potassium iodide or potassium iodate pills before exposure will saturate a person's thyroid gland with safe, stable iodine, allowing no room for later uptake of the radioactive iodine that would result from such an attack.

Instead of moving, Livingstone advocates preparedness. "A lot of firms that

were in the World Trade Center wished that they had had smoke masks and a few things like that now. Twelve bucks each, and they didn't want to make the investment. If someone releases a chemical agent in the area, and you have a respirator, you're way ahead of the next guy." Livingstone concedes that, for gas masks to be truly effective, citizens would have to wear them 24 hours a day.

Even so, in the days following the September 11 attack, there were huge runs on gas masks. Every army surplus store that HUSTLER contacted was sold out, and gas masks are selling on eBay for upwards of \$150. But gas masks are not effective against agents that attack the skin or the mucous membranes. There are full-body protective outfits used by the military and emergency-response teams, but these hazardous-material suits are more suitable for those who need to enter a contaminated area. Moreover, if not used properly, a hazmat suit could suffocate the person wearing it.

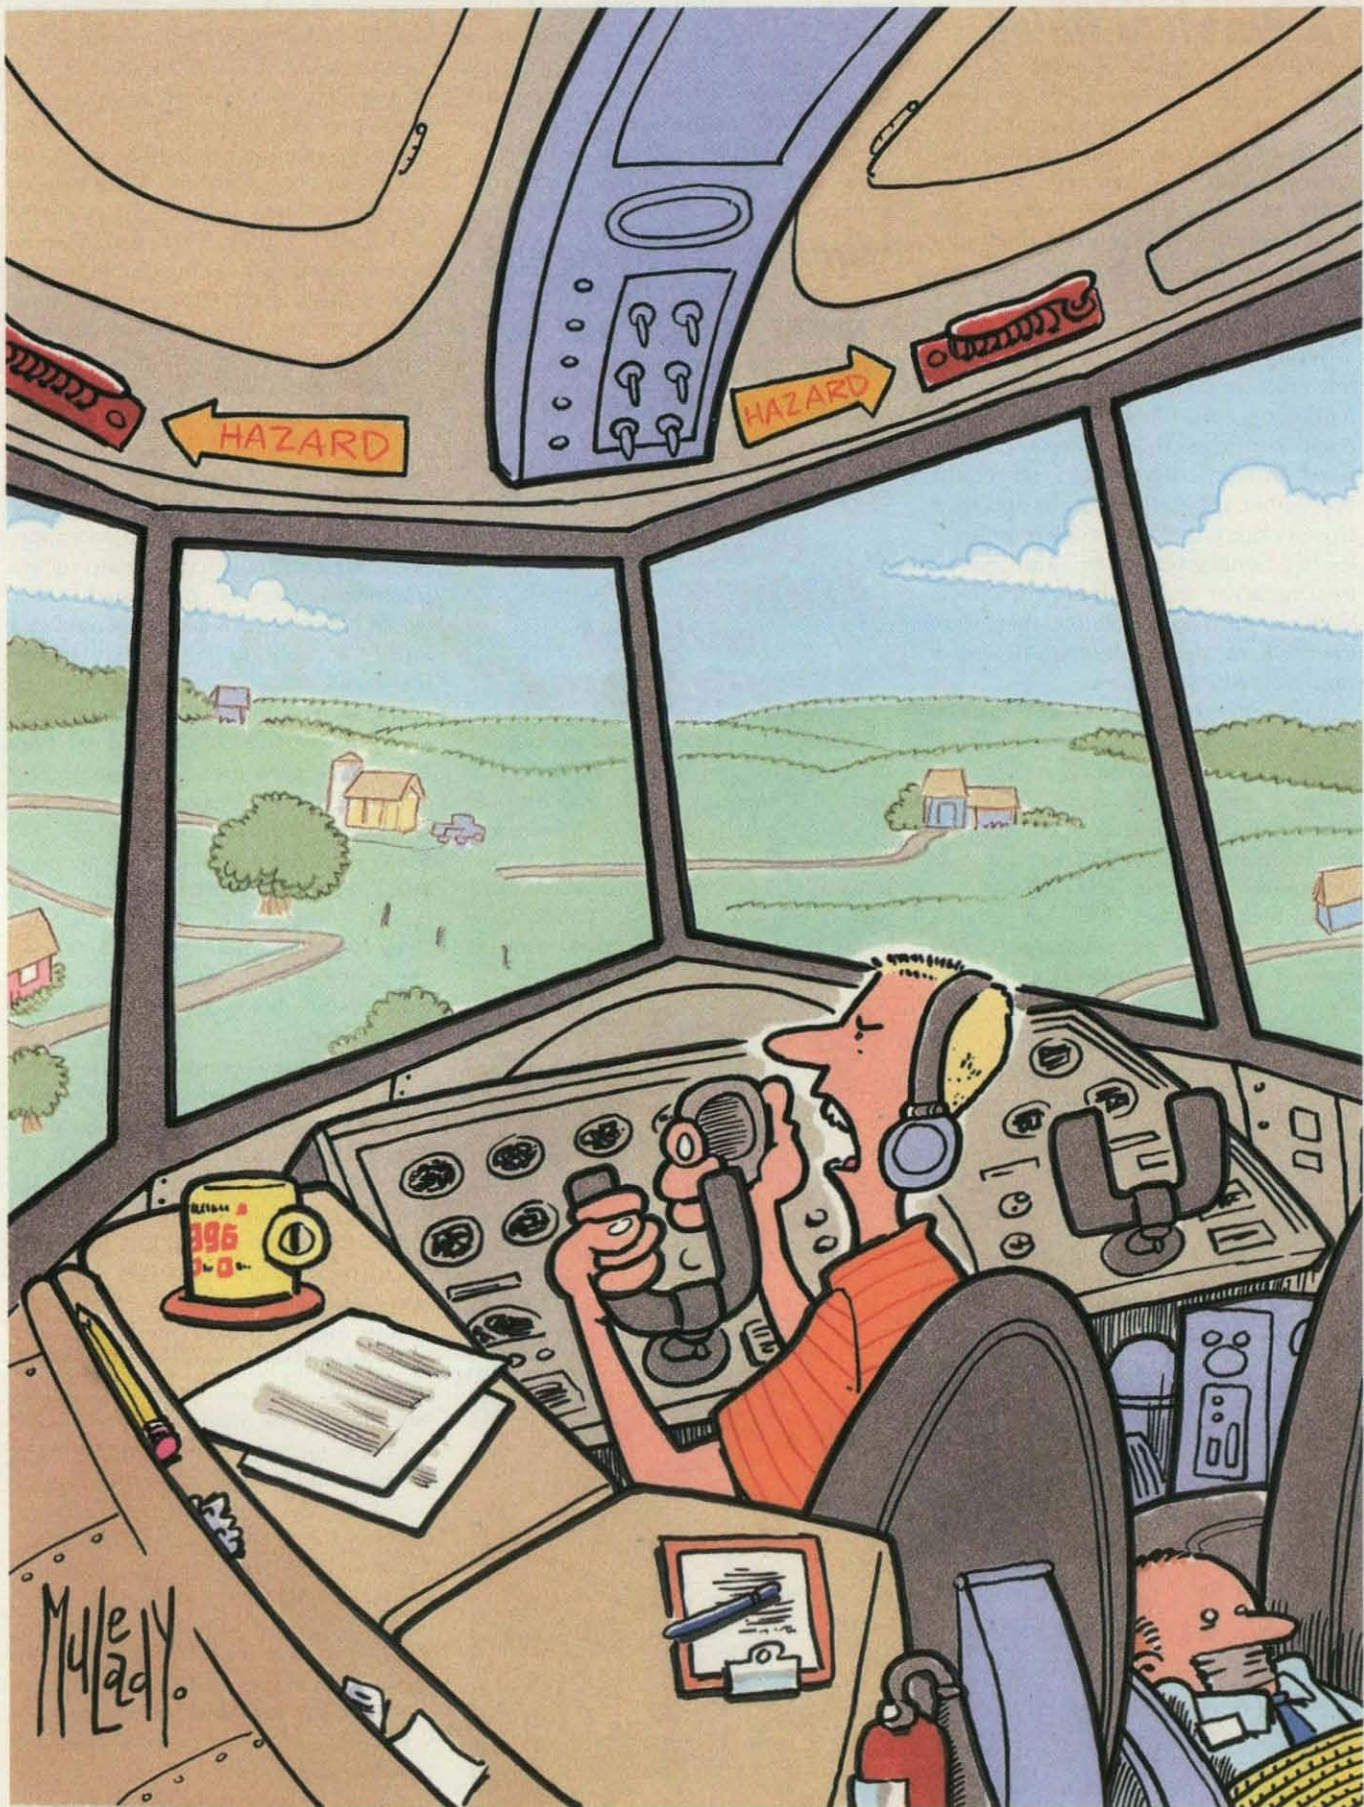

Dr. Amy Smithson, a senior associate at the Henry L. Stimson Center, a private think tank in Washington, D.C., that specializes in international security, believes that the current hysteria over bioterrorism is unwarranted. "Any bozo can make [biological agents] in a beaker, but disseminating these agents in a manner that would cause mass casualties is a heck of a lot harder than flying an airplane into a building."

Smithson, who also serves as director of the Chemical and Biological Weapons Nonproliferation Project, believes experts who are sounding the bioterrorism alarm, particularly those with ties to defense contractors and pharmaceutical firms, may have ulterior motives. In her report titled *Ataxia: The Chemical and Biological Terrorism Threat and the U.S. Response*, Smithson writes, "An astute reviewer would examine statements bearing in mind what the source really knows about terrorist behavior and the technical aspects of chemical and biological weaponry, and what the source and their organization stands to gain from an artificially inflated threat."

Smithson's own blasé attitude should probably be examined cautiously. As of this writing, an initial wave of anthrax infections in Florida has grown to include similar incidents at NBC in New York and the personal office of Senate Majority Leader Tom Daschle in Washington, D.C., making the possibility of future attacks seem endless.

THERE'S BEEN A LOT OF TALK ABOUT THE HIGH COST OF DRUGS FOR SENIORS, THAT WE SHOULD HAVE A DRUG PLAN TO HELP. WELL, I HAVE GIVEN THIS A LOT OF CAREFUL THOUGHT... I SAY WE GET OUR SENIORS OFF DRUGS.

"I'm a gay, pagan, abortionist, ACLU member; I just hijacked flight 57, and I'm looking for Jerry Falwell's house, over!"

Terrorism: A Survival Guide

Smithson's suggestion in case of a biological attack? "Go inside, batten down the hatches, close your windows and doors, and shut off your air conditioner. A toxic cloud will dissipate with the wind; the threat will pass. If you're in a toxic cloud, what do you do? Hold your breath, run like hell, get out of the toxic cloud, strip, wet yourself down and jump into a fountain."

Jenny Benavidez, a research analyst for Frost & Sullivan, an international marketing, consulting and training company, confirms that military budgets have indeed skyrocketed since the September 11 attacks. But she and most experts agree that the problem with following Smithson's advice, and that of wearing a gas mask, is that people most likely wouldn't even know they were exposed to deadly biological agents until days after an attack.

There are detectors on the market, but they are mainly sold to the military. According to Benavidez, a chemical-weapon detector costs from \$6,000 up. Since detecting biological agents is much more difficult, a biological detector costs even more (upwards of \$15,000).

"Individuals can't do a lot, because most terrorism has changed," says Samuel Watson, codirector of the

Biomedical Security Institute and former National Security Advisor to the elder George Bush. "Terrorists used to claim credit for things to get political recognition or recognition of, say, the plight of the Palestinian people. Now terrorists aren't announcing that they've done something; so unless the terrorists announce it, which would create

"Unless the terrorists announce it, most people are not going to know they are infected until they show up in emergency rooms with the symptoms."

great panic by the way, most people are not going to know they are infected or there has been an attack until they all of a sudden begin to show up in emergency rooms with whatever the symptoms are. They could buy masks and wear them all the time. They do in Japan; people wear little masks around during flu season."

That being said, there are some preparations that the public can and should make. Basically, the guidelines are the same that FEMA (the Federal Emergency Management Agency) suggests for any natural disaster: Have plenty of water and canned food, a manual can opener, a first-aid kit, a battery-operated radio, a flashlight, batteries and cash. Although FEMA doesn't include weaponry among its emergency-supply list, a gun may also offer some protection from those who would want to steal your other essential items.

"You need more water than you think," warns survivalist Bruce Clayton. Storing large quantities of bottled water could also be life-saving in the unlikely event that the water supply has been poisoned. Although the risk of a water supply being contaminated is relatively low (municipal water is chlorinated, which would kill most agents, and it would take tons of an agent to be effective), terrorists could target local distribution of water, such as an office building's pipes. Water filters, unfortunately, don't filter out bacteria or viruses. Iodine tablets are also used to purify water.

Experts seem to be divided over whether or not a biological or chemical attack is likely. "I think it's going to happen at some point," says Livingstone. "The question is not if, but only when." He points to news reports of nerve-gas experiments being done on cows in Afghanistan.

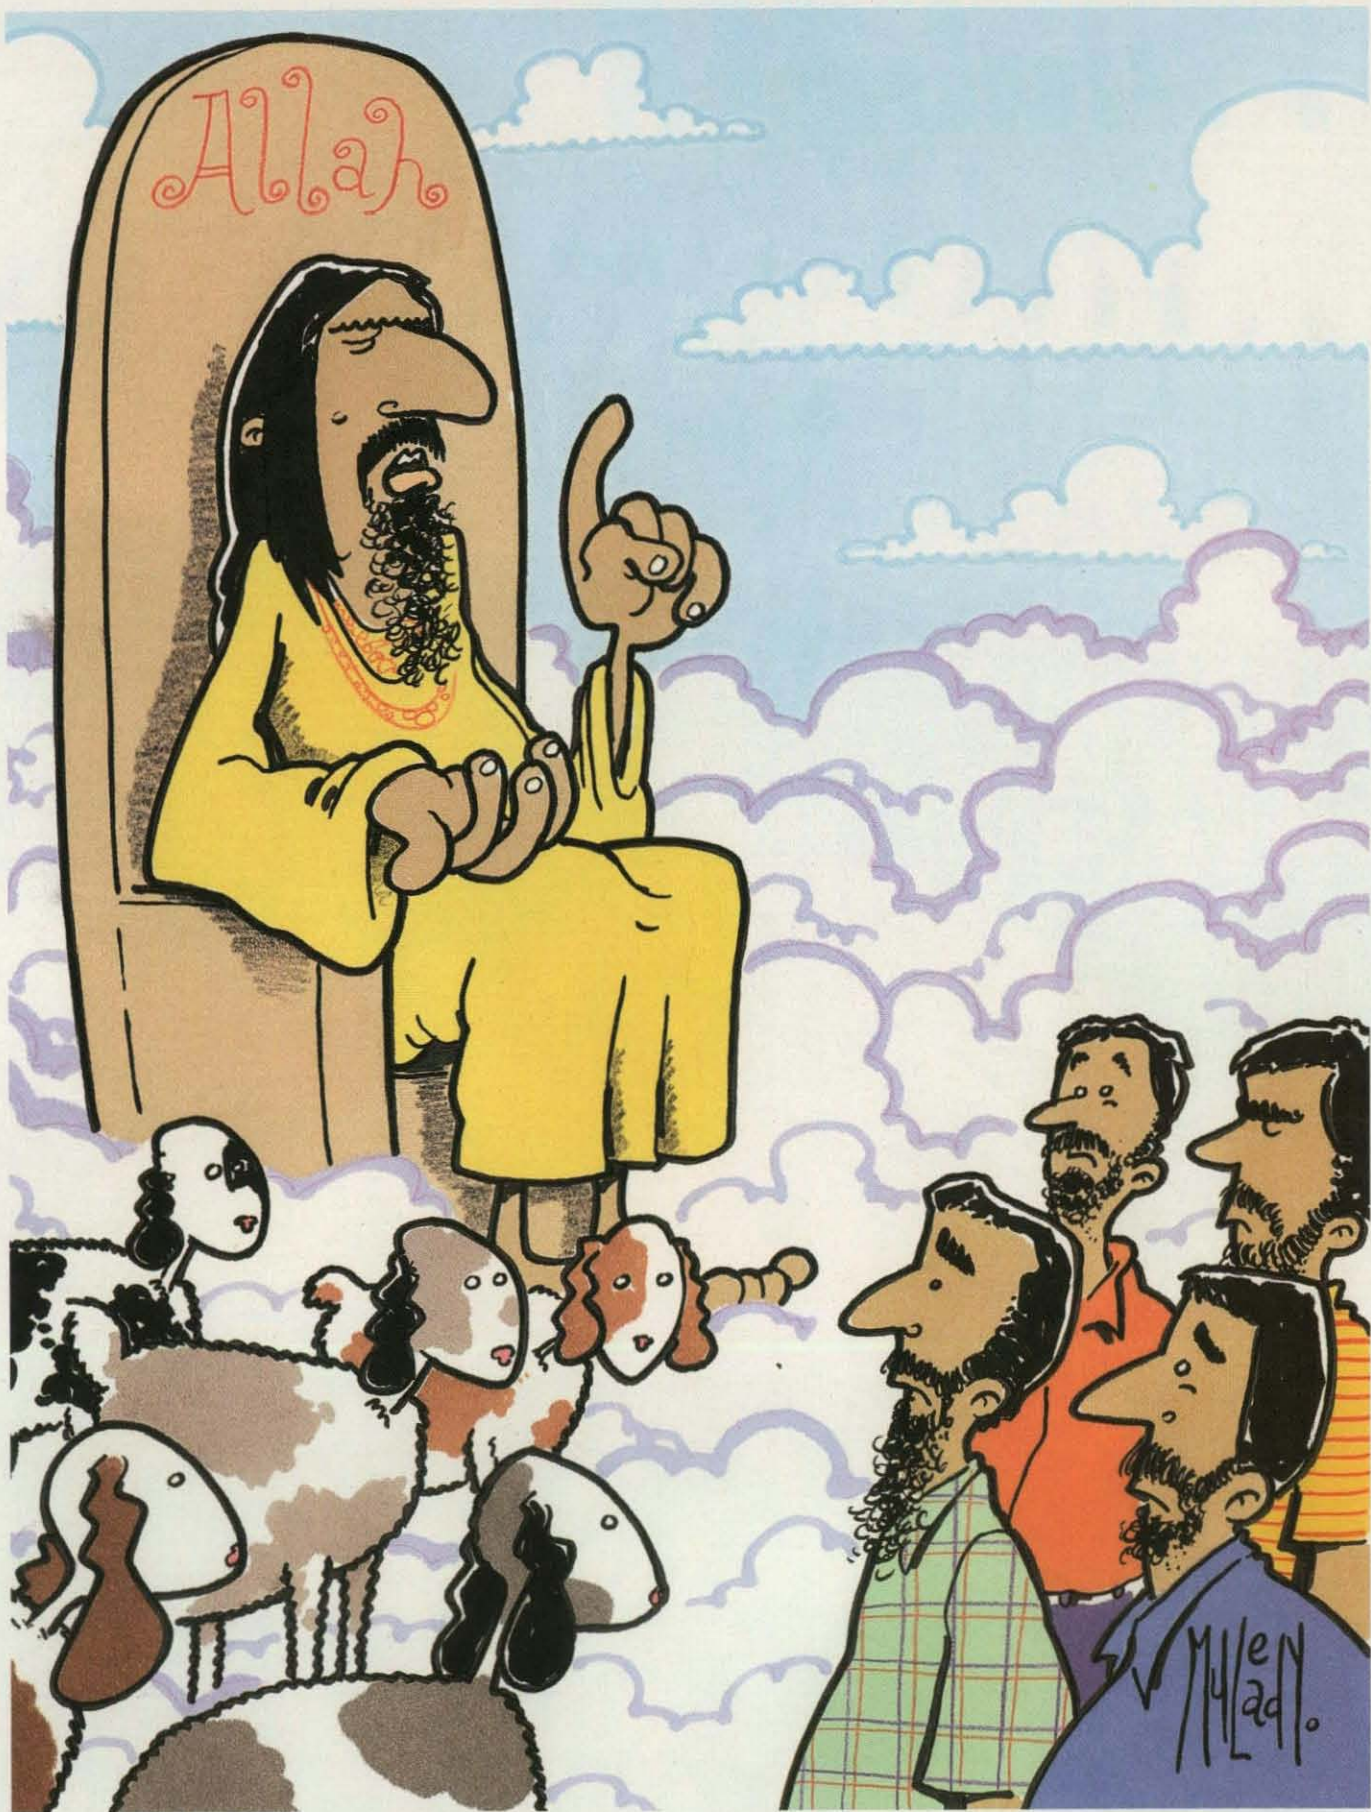

In addition to testing on cows, terrorists may poison cattle, other livestock and crops in hopes of infecting humans. Terrorism involving agriculture, known as agroterrorism, is usually reserved for the killing of animal and plant life as a way to starve the enemy, but it is possible to poison cattle and thereby harm beef-eating populations.

Ken Alibek, who was deputy chief of Biopreparat, the Soviet Union's military biological weapons program, before defecting to the United States, doesn't consider meat contamination a likely weapon, and even if it were utilized, it could be defended against. "If you infected a cow, the concentration of the agent wouldn't be very high. It would not be something like millions of spores of anthrax in each gram of meat. First, we cook it. If you eat well-done steak or medium well, the probability of digesting [even] a little dose of this agent is very low. These scenarios wouldn't result in mass casualties."

Alibek is more concerned with the spraying of biological weapons into the air. "The only threat (continued on page 106)

"The jury is instructed to disregard the defendant's last sexual fantasy."

"It is true Allah promised you all 72 virgin brides for destroying the World Trade Center, but I never said they'd be women."

Terrorism: A Survival Guide

(continued from page 96) is when biological weapons are deployed by aerosol and, in this case, depending on type of deployment, place of deployment, type of agent, meteorological conditions, we could see a huge number of [infections]."

Many Americans are stocking up on antibiotics. And while these medications are effective against many biological agents, they have to be taken before symptoms are present.

"Right now, the only protections we have are vaccines and antibiotics, but it is absolutely impossible to vaccinate entire populations in the U.S. against every infection," says Alibek. "Keep in mind that the number of biological agents is very large.

"The government must expedite the process of developing [antibiotics and vaccines], then give permission to the FDA to have an expedited process of approval and a fast manufacturing for these products. In case of a BW [biological warfare] attack, you would see significant overwhelming of all medical services. In some cases, antibiotics could give some window of opportunity to people to wait for qualified medical assistance. This is a good way to go. The government should issue an executive order giving permission to buy anti-

otics by ordinary individuals without having prescriptions, and to have some sort of stored amount. [The antibiotic] Cipro would protect completely even from anthrax before the disease starts. You can start taking these antibiotics; we could guarantee that up to 90 to 100% of people could be protected."

Even if a person can acquire Cipro

"The government should issue an executive order giving permission to buy antibiotics by ordinary individuals without having prescriptions.

(doxycycline and penicillin may also be effective), he or she must be careful not to take it unless there is an attack, or their body could very well build up a tolerance to the drugs and be immune to their effects later on. Cipro and doxycycline can also help fight off tularemia. In the case of plague, early treatment with streptomycin or the

tetracycline and fluoroquinolone classes of antimicrobials is advised.

"There is another problem—viral biological weapons," warns Alibek. "Unfortunately, we have no good antiviral substances developed as products, but some research is being done by several companies."

While viral diseases are difficult to weaponize, survivalist Bruce Clayton believes terrorists who are willing to die would have a much easier time spreading fatal diseases. "We need to rethink as a nation what's possible and what's not," says Clayton. "For instance, if you want to culture hemorrhagic fever like the Ebola virus, and turn it into a technological weapon, something you can put in an artery shell, you need very sophisticated facilities. However, the human body can manufacture Ebola viruses extremely efficiently. All you need is someone who is willing to inject himself with it. Next time there's an Ebola outbreak, you go on down there, pull the needle out of the victim's arm and jab it into your hand. A week later, you've got it, and you're dying in terrible agony. Your 500 closest, suicidal friends all inject a drop of your blood into their skin and then go and tour the United States and mess around with every prostitute they can find for a week. This is going to sound like an incredible vacation to them. The point is that [terrorists] could try it without having electron microscopes and tissue-culture facilities because they are willing to sacrifice themselves."

According to security expert Neil Livingstone, individuals have little power to protect themselves from bioterrorist attacks. "The main thing they can do is support a strong national defense policy that does not permit rogue nations to get hold of these kinds of chemicals and biological [agents]. That means seeing them as a military threat and acting accordingly. I've often said it would be therapeutic to see an occasional businessman dead in his hotel room if he's engaged in the illegal trafficking of chemical, biological or radiological material. It might be a disincentive for people to break the law."

One of the few things that individuals can do is to keep healthy. People in good physical condition have a better chance of surviving any attack, be it biological, a severe burn or a blow to the head. Working out and eating right could delay a meeting with the reaper.

Or at least leave you limber enough to stick your head between your legs and kiss your ass goodbye. 🍌

The Original LONGITUDE PENIS ENLARGEMENT CAPSULES: Over 100,000 Bottles Sold Every Month

When it comes to Penis Enlargement, you have several options, but only one answer... The Original Longitude Penis Enlargement Capsules, Here's Why:

Clinically-Tested, Women-Approved 100% Natural Longitude Capsules- The ONLY Penis Enlargement Capsules That Really Work.

Longitude VS. Pumps and Weights

The first thing that comes to mind when I think of Penis Pumps, is that Austin Powers movie. I mean really... what would you do if your lover stumbled upon your pump? How embarrassed would you be?

Not to take anything away from pumps- some men do say they work, but I've also heard that it is painful to have your penis being sucked down a clear plastic tube. And remember, every time you use it, you have to spend time cleaning it.

Pumps can cost up to \$150 or more, and as you can imagine, the more you spend, the better your results. But I still think you can do better with Longitude.

And what about Hanging-Weights... OUCH! If you think strapping a few pounds of metal around your penis is fun, count me out. Not only is it painful, it's STUPID, you can do a ton of damage to your penile ligaments. Don't be surprised when you get giant, nasty bruises on your penis that are so painful, you won't even be able to get an erection. Pass on the pumps and weights.

Longitude VS. Invasive Surgery

Ever since hearing about what happened to my college buddy Marcus, I advise everyone I care about to stay away from penis surgery.

Marcus wasn't happy with the size of his penis, so he had an operation with hopes of being "gorilla-sized". But today, his King-Kong dream is a shriveled-up nightmare.

First of all, his penis is so ugly, it looks like a football. And secondly, he lost total sensation in his penis and is not able to get an erection no matter how hard he tries.

He ruined his life. His girlfriend left him, and he is unable to keep new women because of his problem. And just the sight of his penis is enough to make you have newfound love for your penis, even if it is 4-inches long.

Lets pretend Marcus's surgery went well... it still cost several thousands of dollars, he had to go to the hospital and take off work. And just the thought of someone going near my johnson with a knife is enough to turn my stomach.

Longitude VS. Knockoff Pill Scams

As with any great product, greedy scam-artists will knock it off.

Longitude has documented growth of up to 3-inches. Some of our knockoffs go as far as copying our ads almost word-for-word, then simply inflate our claims of 3-inches to 5 or 6 inches. Is their scam pill really going to DOUBLE the size of your penis? I don't think so. They'll say anything to fool you.

A copycat product will never perform as well as the original. Longitude capsules are formulated in our 47,000 sq. ft. lab that is one of only 20 in the US that has been approved by the NNFA (National Nutritional Food Association) to comply with rigorous GMP standards. (Good Manufacturing Practices). This ensures your capsules will never contain rodent feces, crushed roaches, or things even worse.

Who knows where and how other's capsules are being created? In a garage? Knockoffs haven't been known to worry much about quality control. Sure, you may be able to save a few dollars purchasing a fake... but remember, you have to swallow it!

It's your choice... Pumps... Weights... Surgery... Knockoff Scams... or the Original Longitude Capsules... Read my ad on the next 3 pages and call us. Longitude is the only product that will make your penis so long, you won't believe its yours- **GUARANTEED** by over 1 Million Men every year!

Plus, we employ over 100 Nutritional Experts to answer any of your questions. With these knockoffs, you're lucky to get a live operator, let alone someone who knows anything about nutrition. Save yourself time and get the results you're after, buy the real thing.

67% of Women Say They're UNHAPPY With The Size Of Their Lover's Penis...

Muscles, Money, and Looks help, but women want a "bigger" man.

*The Average Penis Size Is Just 6 Inches...
But Who Wants To Be "Just Average"?*

Herbal Science Breakthrough!

World-Famous Pharmacist Creates
Revolutionary Herbal Pill That Is
Guaranteed To Increase Your Penis
Size By 1"... 2"... 3"... or more in just
a few short weeks! (*with absolutely
no adverse side-effects*)

Dear Fellow Man...

What I'm about to tell you is absolutely true. If you believe me, you will be greatly rewarded for the rest of your life. If you don't believe me... I'll make it worth your while to change your mind. Let me explain.

I'm the President of what I believe is, the most advanced Herbal Nutrition Company in the United States. Over the past few years, my company created some incredible, breakthrough products... but this one has been our most successful by far!

Our latest and most *controversial* product is called LONGitude and by simply taking 2 LONGitude capsules every day... it will make your penis grow in both length and thickness by a whopping 26%.

Sounds impossible? Of course it does... but 96% of the men who try LONGitude have great success, growing 1"... 2"... 3"... and more. I myself gained 2 1/8" in just 8 short weeks on LONGitude. I am extremely pleased with this product's performance.

I'm a single guy... so I do date quite often and let me tell you man-to-man... NOTHING, and I mean NOTHING beats the look on my lover's face as she sees it for the first time... watching her gasp... almost in disbelief... with a slight look of fear in her eyes. I can't describe how confident a bigger penis makes me feel!

You Don't Believe Me... Right?

I don't blame you for being skeptical of LONGitude... hell, even when my research team told me they had finally got it right after 3 years of research and testing, I didn't believe it. That's why I tried LONGitude personally.

Let Me Explain How LONGitude Works... It'll Help Convince You...

Your penis has three chambers... 2 large ones on top which are your erectile tissue and one smaller one on the bottom which you urinate and ejaculate from. And...

(next page please...)

When you get an erection, your brain releases a hormone which sends blood to your penis, filling your erectile tissue. The blood cavities in your erectile tissue fill to the maximum, giving you an erection.

LONGitude will give you a more muscular look, surely standing apart from other penis... A penis your lover will remember for the rest of her life!

**100% Natural & Safe
LONGitude Will:**

Here's What You Can Expect To Happen Taking LONGitude:

- Week 1-3:** Your penis will experience greater and longer lasting erections and a noticeable increase in thickness.
- Week 4-8:** Your penis will have grown in length and will possess much more thickness in both- erect and flaccid states.
- Week 9+:** Your penis will have taken on a new body, not just longer and thicker, but much harder and healthier.

Now get this... the maximum your erectile tissue can fill with blood creates the size your erect penis presently is. But here's the breakthrough we've discovered... Your erectile tissue can be developed much larger and stronger than it is with our product LONGitude.

Simply put... your penis is EXTREMELY unfit and smaller than what it could be if your erectile tissue chambers were larger (holding more blood). LONGitude will go to work on these chambers - increasing their size in both length and width... to hold more blood... getting you a few extra inches you wish you were born with.

After just a few days on LONGitude, you will start to see and feel much difference in the way your penis hangs and feels when erect.

LONGitude will also promote increased sensitivity... getting you more "feelings" during intercourse, enabling you to achieve ROCK HARD erections ANY time you desire.

- Strengthen and harden your erections like a length of STEEL PIPE!

- Develop your PC Muscle to form a truly "muscular" looking penis that will impress and arouse your lover. I guarantee they'll brag to their friends.

- Enlarge your penis 1-4" or more AT HOME, without vacuum pumps, weights, or surgery.

- Intensify your orgasms.

- Achieve more powerful thrusting ability.

- Last as long as you want without drugs.

- Achieve ROCK HARD erections any time you want... your lover won't believe it!

- Safely and Permanently enhance your penis size, strength, and ability without expensive and dangerous pumps, weights, drugs, or surgery.

- And much, much more!

When you feel you are at your peak performance level in penis size and mass... you'll have a new found confidence... knowing you can please any woman more than any other man could - no matter how hard he tried!

It's pretty simple to understand... the size of your erectile tissue chambers is what limits your penis to the size it is now. LONGitude painlessly makes these chambers longer and wider, holding more blood... making your penis several inches longer.

**90% Of Men Have A 6" Penis...

You do not have to take LONGitude ever again- the results are permanent. Most users stop taking LONGitude once they reached 8" to 9" (about 12 weeks). It is not advised to go past the 9" limit for the simple fact that you'll be too big for many women.

Here's Some Of The Most Common Questions New Users Have:

What Is LONGitude?

LONGitude is a 100% safe and natural formula that is guaranteed to increase penis size by an average of 26%.

How Does LONGitude Work?

LONGitude permanently enlarges your two erectile tissue chambers in your penis to hold more blood during an erection... thus, making your penis much, much larger in size.

Absolutely zero. A positive side-effect is that you'll be more sensitive, enjoying intercourse more.

How Do I Take LONGitude?

Simply take 2 easy to swallow capsules every day.

How Long Can I Expect My Penis To Get?

Measure yourself during full erection and add 26% - that is the average size increase. LONGitude will continue to work the longer you use it.

How Long Will It Take To Work?

LONGitude will start working instantly, making your penis thicker and erect more often. Length growth starts a few weeks later and the total process usually takes 12 weeks.

Revenge of the Swingers

(continued from page 76) and reopened an on-premises place. Frank ran the club successfully until 1999, when he died of a heart attack.

Today, Frank's widow operates Plato's Repeat with the able assistance of Herb, a big, owlsh, elderly gent with a kindly, soft-spoken manner. The club itself offers an enjoyably retro ambience—the decor has the fit and finish of a late-'70s catering hall with touches of an Italian restaurant and *Saturday Night Fever*.

Both Plato's Repeat and Trapeze are packed solid on busy nights (Saturdays are the wildest, and Wednesdays are surprisingly hopping as well).

The assembled crowds at both places resemble a cross-section of America—perfectly pleasant-looking folks who seem for all the world as though they might have been rounded up at random from a local shopping mall. Swingers share a kind of quiet pride in who they are—ordinary people who have stumbled onto something extraordinarily satisfying.

One Saturday, just after Trapeze's doors open at 8 p.m., a group of swingers disrobes and enters the hot tubs. Almost immediately, each and every

lady gladly fellates each and every gent. Sabrina, a big-breasted, 31-year-old blonde, obligingly pulls out the cock of her husband, Fabio, for Danna, a pretty, blond 26-year-old, to suck. Meanwhile, Danna's boyfriend, Jeff, age 42, enjoys a hummer from Sabrina. Likewise, there are no cunnilingual hesitations, and les-

bian behavior is freely enjoyed. Colletta, a shapely, 45-year-old brunette, finger-fucks Danna while tonguing her ass. Sabrina joins the sapphic action and sucks Colletta's pussy.

Once the women work each other up to a carnal lather, the original couples

regroup. Some of these folks swing together later that night. At the moment, teasing, flirting, lezzing out and generally doing "everything but" are sanctioned group activities, while actual fucking is a couples-only affair.

Generally, such limits are the rule rather than the exception in the Lifestyle. Couples have very clearly defined personal lines, over which they rarely pass. Some come to watch and be turned on by all the erotic activity, but to have sex only with each other. For others, oral sex and lesbian activity are fine, but actual intercourse outside of the relationship is verboten. Many pick up other couples at the club and go all the way, but not every time by any means.

"It took me some time to get addicted to this place," says Sabrina, who owns an upscale furniture store with her husband, Fabio. "We like other people watching us, but it was a year before we had anybody join us. Even now, if we see an orgy happening in the back, maybe we'll jump in; but we don't like getting too involved with another couple."

The Broward community supported the swingers during their court case, in large part, because they realized that members of the Lifestyle are decent, average people who, like them, obey certain boundaries. In fact, as the trial proceeded and the public learned that 18 of the 24 defendants were found only to be having sex with their own spouses or dates, people voiced their outrage, hoping to end the sexual oppression.

The ultimate triumph of Trapeze gives a clear picture of the Lifestyle's future prospects in America. In Washington and its environs, this may be the antisex Age of Ashcroft; but elsewhere, Americans continue to demand their personal freedom to swing whenever and wherever they want.

But acquitted Trapeze owner Freeland believes that there is still much work to be done. "Right now, the Lifestyle is where the gay movement was ten years ago. Swinging is still in the closet. We need to bring it into the mainstream. Our biggest challenge is still fighting all the misconceptions and stereotypes. Maybe it'll never be totally accepted because, let's face it, swinging isn't for everybody. But we need to get to the point where, at the very least, the swinging Lifestyle is tolerated by everyone." 🍷

"I faintly remember my former life. I think I was a Republican."

(continued from page 52) twice had been an act of superhuman restraint—a marathon attempt to keep her filled with schlong until her stubborn fuse lit. Jenna's fingers raked across the back of my shirt as I spewed into her vage's remotest recesses. Her nails, painted bright red, were close-cropped but dug into my skin anyway.

"Wow!" the perky blonde gasped. "You're really goin' at it!"

I didn't know whether the trigger-locked cupcake was genuinely impressed, or if she was just sarcastic. Thanks to her firm, young tits peeking around her opened bra, my chubby stayed just hard enough to use for another minute of post-ejaculatory poking. I wanted to make the bitch come before graduation day, which was two weeks away, and time was running out.

I got up to take a piss while my balls were reloading. I guess I didn't hear the doorbell, because when I came out of the john, not particularly dressed, brown-haired Claire was on the bed, consoling Jenna. As usual, the near-identical lovelies didn't realize their faces bore the exact same expression.

"It's different for everybody," Claire soothed, smoothing the blonde's hair. "Take me—I can come just *thinking* about sex; or, if I'm wearing a short skirt, when the A/C kicks in."

The cute twosome shared a conspiratorial smirk. Jenna's voice dropped to a barely audible mumble. "No offense, Dave," the frigid sweetheart said, "but I think I need a girl."

I wasn't happy about busting my balls, only to have Claire sashay in and reap the glory, but I didn't let my disappointment show.

"Can I watch?" I asked.

The ladies shrugged uneasily, and the brunette stepped out of her mini.

Claire shuddered and came the moment their naked bodies connected, giving credence to her claim of easy orgasms, which I had taken for bullshit. Jenna was underneath her buddy, hanging onto her spasming mirror image in jealous fascination. Triumphant, Claire squatted over the blonde's face and literally rubbed Jenna's nose in her hyper-sensitive crotch.

Snuffling at her dark-haired doppelgänger's petals, Jenna began to buck her hips with more precision than I had seen before. Claire fell upon the downy, undulating twat like a hungry

dog. The 69ing twins rolled around on the bed, their slurps and squeals punctuated by the multi-orgasmic one's sharp intake of breath at every mini-eruptation.

Jenna gave a cry like a karate master hitting bricks. Claire lifted her head expectantly. The blonde's mouth popped out from under the dark-haired girl's spastic cunt.

"D-dave," Jenna grunted.

As you may have guessed, my pud was sticking straight out, ready to burst at the seams. I'd been too mesmerized by the sights and smells to jack myself off. The flushed brunette grudgingly started to roll off Jenna, but the blonde grabbed Claire's ass and kept her seated where she was.

I found myself leaning into Claire's body as I topped Jenna. We both began to thrust our hips into the blondie below us—me in her pussy, Claire parked on her face.

The buddies weren't nearly as alike from this close; as I slammed my diamond-hard cunt-cleaver into Jenna and the brown-haired girl slopped her labia over her twin's tongue, I saw that Claire's chest had more freckles and her nipples were smaller.

As we pounded the blonde deep into

the mattress, Claire slipped her tongue into my mouth, closing up the triangle we'd created. The gyrations over Jenna became more heated. I bit at Claire's tiny nipples, and felt Jenna's twat contract along my shaft. The bouncing bed took on a new shimmy as Jenna rocked violently up and down, screaming into Claire's dark muff.

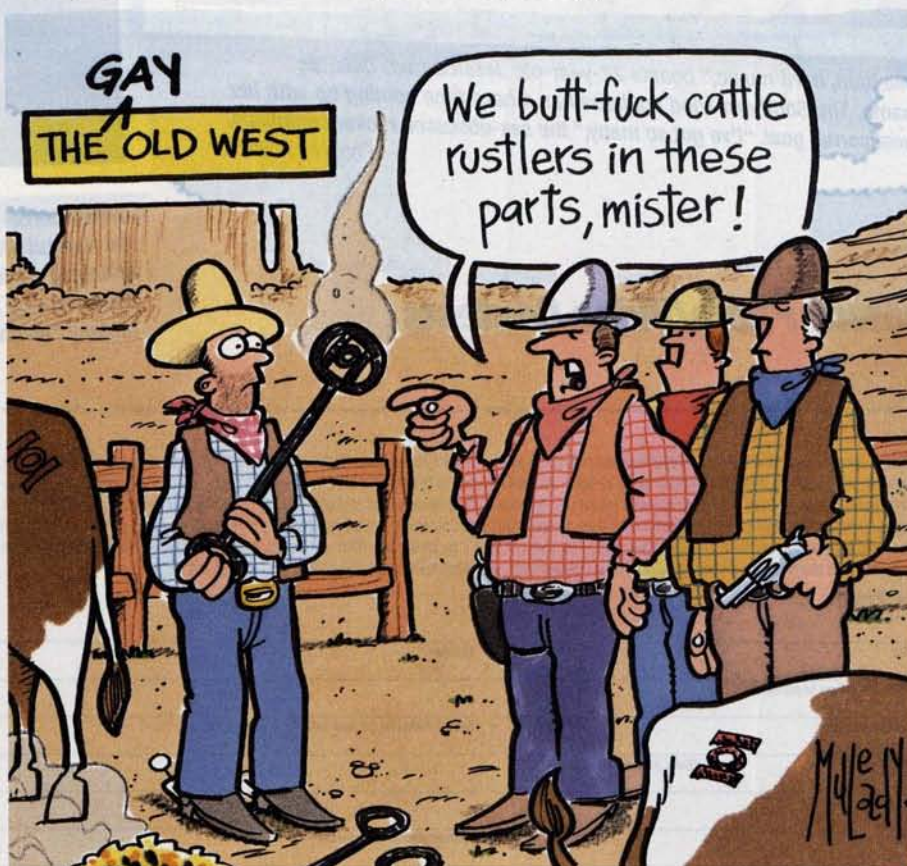

"I-I'm c—" was all I could make out from Jenna's muffled victory cry, but words were unnecessary. We all knew that Jenna's dam had burst; the spray of her ejaculate soaked the three of us. I blew a wad in Jenna, which made Claire's eyes roll back in her head, and the three of us orgasmed together.

Graduation day came and went. Claire and I have jobs now; Jenna goes to community college. Sometimes two of us will pair off for a while, but we still make Saturdays our threeway nights. The triangle we formed that afternoon is still the only position that brings poor Jenna off, but we're working on a new winning combination all the time.

—D. V. J.

Beaver Hunt

Flash for Cash!

Attention, ladies! Are you an amateur nudist over 18 years of age? The 2002 *Beaver Hunt* Grand Prize Competition is looking for you! Snap a few clear, color pictures, and mail them to HUSTLER *Beaver Hunt*, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Every lady whose picture we print gets \$250 and a chance at the 2002 Grand Prize—a photo-feature worth \$5,000. Grand Prize Finalists win \$1,500 each. The award for the photographer of the Grand Prize Winner is \$500, and the Finalists' photographers win \$250. All photographers of models appearing in *Beaver Hunt* receive a one-year subscription to HUSTLER. Fill out the model release below, and include copies of two forms of ID. Your photo, date of birth and signature must appear on the IDs (not necessarily all on the same one). All photos become the unreturnable property of HUSTLER Magazine.

"I love loud, hard music," boasts 22-year-old Jessica from Decatur, Alabama. The Southern-fried waitress has a hard time coming up with her biggest carnal goal. "I've got so many," the sex-obsessed rocker complains.

—Photo by Husband

Twenty-three-year-old Lynn of Jonesboro, Arkansas—fittingly, the Natural State—digs swimming, fishing, playing poker, watching cartoons and solving jigsaw puzzles. A restaurant supervisor by trade, the service-industry Beaver harbors a fantasy "involving myself, my husband and a hot woman."

Amateur Photo/Video Contests Win \$5,000 Cash!

Model Release / Entry Form

To enter HUSTLER *Beaver Hunt* or HUSTLER Video *Beaver Hunt*, you must be 18 years of age or older, and you must fill out and send this release and copies of two forms of ID, one with photo (i.e., driver's license, passport or photo ID issued by state). Second ID can be a birth certificate, Social Security card, credit card, marriage certificate or immigration card. One ID must include your date of birth and one must include your signature. Send photocopies, not originals. Send two or more sharply focused color prints or slides. Send videotapes in VHS format. Showing pink is optional at entry stage. All photos and videos become the unreturnable property of HUSTLER Magazine, which buys all rights in perpetuity to photos and videos we purchase. Win \$250 if we publish your photo, or \$500 if we choose your video, and win the chance to be in an extended pictorial or feature video worth \$5,000. Send photos, videos, IDs and release to HUSTLER *Beaver Hunt*, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211.

Dutchess is a waitress from Akron, Ohio. The tattooed 28-year-old loves drawing and dancing, and longs "to be in a XXX movie."

—Photo by Friend

Roxy, 19, of Rochester, New York, is into ski racing, lacrosse, art, surfing and playing with her pet rat, Chloe. The enterprising young Beaver, who splits her time between school and making homegrown porn, insists that her fantasy "already came true."

—Photo by Boyfriend

Angel, 24, hails from Miami, Florida. When she's not providing customer service, the lusty cherub enjoys dancing and walking. Angel's dream fuck takes place on "video with four girls and two guys—two threesomes going on at the same time."

—Photo by Friend

When Candy's not spending quality time with her sweet spot in the manner seen here, the 19-year-old student from Chicago, Illinois, enjoys swimming and dreams of "doing a porno."

—Photo by Boyfriend

Melissa of Tyler, Texas, works in sales. The long-nailed 26-year-old digs kinky sex, cycling and swimming, and plans to "have sex with Richard Simmons to turn him straight." Hey, she's just talon it like it is.

—Photo by Friend

Dancing, modeling, nude photography, sports and screwing make Kitten purr. The 26-year-old housewife from Atlanta, Georgia, dreams of "sex on a strip-club stage."

—Photo by Husband

Seen here spreading her wings for a refreshing dip, 40-year-old Borders, Oklahoma, native Angel is into "ear lobes and hot wax." Hopefully the Sooner State siren avoids the hygienically questionable combination of the two.

—Photo by Friend

Carissa is a law student from Bossier City, Louisiana. The 27-year-old redhead enjoys football, camping, fishing and hunting. Carissa's ideal fuck "starts with me being tied up to a bed" and goes hog-wild from there.

—Photo by Friend

Take a sip of Hot Chocolate, 25, of Philadelphia, Pennsylvania. This sweet Nubian loves big dicks, but longs "to be with three women." The sumptuous Beaver urges readers to "suck and fuck all you want." Thanks for the pearl of wisdom, H. C.

—Photo by Friend

Debbie, 40, is an optician from Cocoa, Florida. Going to the beach, swimming, dancing and partying with friends are the tanned Beaver's favorite activities, but "sex on the beach under the stars" would really make her day. Go ahead, Debbie; make a spectacle of yourself.

—Photo by Husband

Nataja is a nurse's aid from Oakland, California. Hiking, cycling and underground music are a few of the 45-year-old's favorite pastimes, but the idea of "making love in the park and being seen by people walking by" really turns Nataja on.

—Photo by Friend

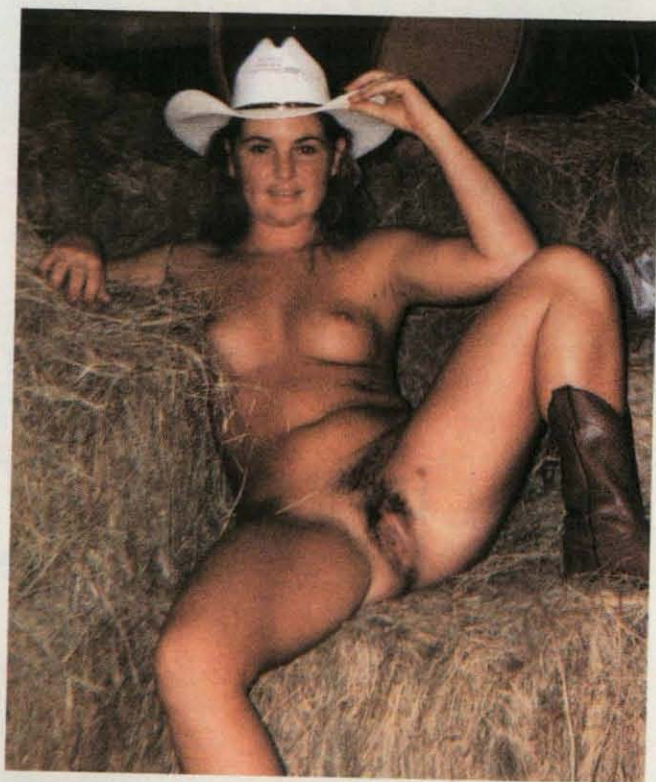

When Victoria of Riverside, California, isn't studying radiology, she diverts herself with gardening, horseback riding, reading and fucking. The 28-year-old student dreams of "having men jack off to my picture in *Beaver Hunt*." Victoria, consider it done.

—Photo by Boyfriend

Michelle, 28, is a secretary from Dallas, Texas. The adventurous brunette enjoys horseback riding, nude sunbathing and swimming, and hopes "to be in a cover shoot with two guys." A lofty goal, indeed.

—Photo by Self

Suddenly, being stuck behind the eight ball doesn't seem like such a bad thing. Brandy, from Wichita, Kansas, is racked and ready to play. The 25-year-old dancer loves reading books, making candles, and yearns to try "anything new."

—Photo by Friend

Lickable, 23, represents for Brooklyn, New York. The leggy homemaker is into clubbing, checking out sexy ladies and "sucking my man's cock."

After 5 minutes of pumping

With the European Pumping Penis Growth System, 9 out of every 10 men show permanent gains on average up to 5 3/4". Acceptable for ages 18-74, penis enlargement systems have been considered "Simple, Safe and Effective" by the U.S. News And World Report. (8/24/92). DOCTOR DISCOVERS PILL TO ENLARGE YOUR PENIS!

**PRO+PLUS PILLS WILL WORK FOR YOU!
WE OFFER A 100% MONEY BACK GUARANTEE!!**

**No Pumps, Exercises or Prescription!
Doctor Approved Pill Will Enlarge Your Penis
up to 4 Inches!**

**You Will Have These Penis Gains
In A Few
Weeks!**

Just imagine when your sex partner sees how thick and long and hard you are. How about when men will gasp with envy the first time they see the new you in a locker room, shower or gym. Your larger penis will give you the confidence to meet the challenge of any woman. Penetrate deeper and see just how much greater satisfaction your sex partner will have. You will feel in total command because now any possibility of going soft, and premature ejaculation will be eliminated with your new rock hard much larger penis.

HOW DOES PRO+PLUS PILLS ENLARGE YOUR PENIS?

The corpora cavernosa are the two spongy bodies of erectile tissue on either side of the penis. An erection is caused by blood filling the erectile tissues. But what if the erectile tissues were made larger? What if you could somehow expand the size of the erectile tissues? Then of course the erectile tissues would hold more blood and you would have a significantly larger penis. Blow up a balloon with more air and you have a larger balloon. Fill the erectile tissues with more blood and you have a larger penis. Without any effort on your part, without any exercising, pumping or stretching, PRO+PLUS PILLS will expand the erectile tissues longer and wider and fill the erectile tissues with a larger supply of blood so that your penis will gain up to 4 inches in what has been described as a miracle. **You can make that miracle happen.** You can have the penis size you always dreamed of with the PRO+PLUS PILL and we GUARANTEE IT!

IS YOUR PENIS SIZE AVERAGE?

You probably have heard or read somewhere the average penis size is about 6 inches. If your penis is 6 inches and you want to be average then don't read any further. But if you're not satisfied with an average or less than average size penis, the PRO+PLUS PILLS will help you grow up to 4 inches and it is perfectly safe and it is your secret because you can take the PRO+PLUS PILLS without anyone knowing that you are taking it.

HOW LONG WILL IT TAKE TO ENLARGE YOUR PENIS?

In a couple of weeks the most noticeable change will be the width of your penis and longer lasting erections. Then after a month or two you will see a change in the length of your penis and again you will notice a thicker and wider penis. As you stand in front of a mirror you will be amazed even without an erection how your penis will 'hang' longer and thicker. After the third month when you have an erection you will see a very noticeable change. Not just in size but your penis will look firmer, stronger than you ever dreamed possible. **No pill sold anywhere can give you the maximum potential you want in two months.** Why settle for less when you can have much more. You need **three to four months** to grow to your maximum potential and we offer special prices for a three or four months supply with a **100% MONEY BACK GUARANTEE AND FREE OFFER!**

WHAT EXACTLY IS THE PRO+PLUS PILLS?

Discovered by Dr. Dmitri Zorken and his research team PRO+PLUS PILLS is a powerful natural herbal penis enlargement formula that increases penis size, stronger erections and maintains your sexual virility. Combining the formulations of the type of herbs found in many parts of the world that can enlarge the penis erectile tissues. We also included some of the same type of herbs found in Polynesia where the men of the Manganian tribe have sex on the average of 3 times a night, every night. While this is not what you may wish, it is nice to know your sexual performance can improve substantially.

HOW BIG IS BIG AND HOW MUCH DO YOU NEED TO SATISFY YOUR PARTNER?

Consider the difference between a 7, 8 or 9 inch penis that is thicker and a penis that is 4 to 6 inches and narrower. With a larger penis you penetrate more sensitive areas of the woman. Your longer penis probes deeper searching those special nerve endings. The added width to your penis fills and presses her from side to side to give your partner the most exhilarating sensations. **It is possible for you to reach the most sensitive area of all, a woman's G-spot.** These sensations will produce for a woman the ultimate multiple orgasms. At the same time because you are reaching a woman's most sensitive areas with your larger penis you will receive more pleasure to your sensitive nerve endings. Just knowing you are giving your partner this pleasurable experience will certainly give you the added confidence of being a better lover.

WHAT WILL THE PRO+PLUS PILLS DO FOR ME?

- ▶ A longer, thicker penis. Penis Enlargement up to 4 inches or more
- ▶ A longer, thicker penis even when you are not hard. Because there is more blood flow to the penis, your penis 'hangs' larger all day.
- ▶ You will have bigger, harder erections. Because of increased blood flow your erections grow harder.
- ▶ Erections when you want them. Rock hard erections every time. No more problems because you can't get it up and keep it up. PRO+PLUS PILLS will keep the blood flowing to your penis so you will always get hard and stay hard.
- ▶ Stronger and more intense orgasms
- ▶ Stop premature ejaculations
- ▶ Safely enhance the size of your penis.

The appearance of your larger penis will arouse your sex partner

WILL THE PENIS ENLARGEMENT BE PERMANENT?

Yes it is and you control the growth because once you reach your optimum size you could stop taking PRO+PLUS PILLS for Penis Enlargement. We say you could stop taking the PRO+PLUS PILLS because it is not necessary to be larger than 9 or 10 inches. Most women can only comfortably accommodate a 9 or 10 inch penis. Anything larger than that may be too large for most women. Nine inches or more than 9 inches, the choice is yours.

DUAL ACTION EXCLUSIVE FEATURES!

Penis Enlargement and Continued Sexual Health!

Take PRO+PLUS first for Penis Enlargement to reach your optimum size. After that continue taking only one PRO+PLUS daily to improve your sexual health, feel younger, increase sexual desire, gain more stamina and greater sexual pleasure. You can also take 2 PRO+PLUS PILLS before sex for the strongest, hardest erection you will ever have.

OUR OTHER SCIENTIFIC MIRACLE PILL!

PEARL+PLUS PILLS are guaranteed to sexually stimulate women of all ages. For increased blood flow, sexual enjoyment and intensity orgasms. Sexual sensitivity is produced by blood flow into the clitoris, labia and vagina. Only \$60.00 or FREE WITH ANY ORDER OF 3 OR MORE BOTTLES OF PRO+PLUS PILLS.

"This pill really works. I am now a harder 9 inches, which makes me feel good about myself. Besides wanting to be bigger, I always got soft too soon. Now that doesn't happen anymore. I'm hard like a rock from start to finish. I don't stop until she says 'you are terrific' and cums right along with me." -JS, Ohio

Order PRO+PLUS PILLS now.

Only \$60 for one bottle or 1 months supply. \$120 for 3 bottles or 3 months supply. **FREE!** Order 3 bottles or more and choose 1 FREE bottle of Pro+Plus Pills or choose 1 FREE bottle of Pearl+Plus Pills. You will get results within the first month and you will reach your optimum size in 3 to 4 months. Many of our customers continue taking Pro+Plus Pills to maintain good health and rock hard erections. Add \$40 for extra bottles. Any future orders are \$40 for each bottle. We never automatically ship more bottles to you and bill your credit card unless you re-order.

OUR 100% MONEY BACK GUARANTEE

If for any reason you are not completely satisfied return the bottle(s) within 2 months and receive a full 100% refund including shipping. Why do we make this incredible guarantee? Because everything we say here is true and we know you will be satisfied with PRO+PLUS PILLS.

IMPORTANT: Because of the success of PRO+PLUS PILLS there are many imitations. If you do not see a **100% MONEY BACK GUARANTEE** then you **DO NOT** have a money back guarantee. We Offer a **100% MONEY BACK GUARANTEE.** Do you trust buying penis enlargement pills from a pharmacy or drugstore or from our research company PLUS MEDICAL an International Company in business for over 30 years.

Requiem for a Heavy Breather Technology Kills the Obscene Phone Caller by Jim Goad

Illustration by Scott Ruhl

During a 1999 phone-sex spree, a middle-aged New Jersey construction worker named James Maxwell phoned a ten-year-old girl. Pretending to be her mother's gynecologist, he commanded his victim to manually penetrate herself while he listened and masturbated. Maxwell warned the girl not to tell anyone or he would publicly humiliate her with an audiotape of their conversation.

Using a high-tech phone feature, the girl's mother traced the call. When police raided Maxwell's home, they discovered a staggering arsenal of homemade pornography featuring girls' faces that Maxwell had clipped from local newspapers and pasted onto hard-core adult sex photos. Many of the doctored tableaux featured the girls' phone numbers and addresses scribbled next to their pictures. Like a pedophilic telemarketer, Maxwell had written "scripts" for some of his calls, planning the course of the conversations and speculating about the girls' potential responses. Officials were able to identify 97 local, prepubescent girls amid the mountain of do-it-yourself porn, at least nine of whom had received similar phone calls.

Maxwell was charged with aggravated sexual assault. A judge ruled that even though the perpetrator hadn't been in the girl's physical presence, he could legally be charged with rape. In April 2001, Maxwell accepted a plea bargain for a 12-year prison term.

This used to be a hell of a good country, a place where an American could leave his door unlocked at night, a citizen could stroll down Main Street and everyone knew his name, and a lonely man, with his cock in one hand and a telephone handset in the other, could scare the shit out of unsuspecting females.

But just as video killed the radio star, technology has rendered the obscene phone call an emblem of a bygone era when anonymous sexual predators could roam the fiber-optic prairie free from the fear of Star 69.

Like streaking and flashing, the obscene phone call has become a lost art, conjuring nostalgia for a simpler time's golden perversions. Before the emergence of doodads and gizmos such as Anonymous Call Rejection, Call Return and Caller ID, a mildly imaginative deviant was able to satisfy himself merely by dropping a thin dime into the big slot.

Granted, technology makes us more secure, but it also enslaves us. Some menopausal librarian with her hair in curlers and a Noxzema-smeared face will never again be forced to endure some faceless meatball describing the veins on his dingy, but at what price to our cherished freedoms?

In 1992, dim-witted Floridian Ron Vanname stepped inside a phone booth and made nine obscene phone calls within 16 minutes to a 911 operator. Unaware that calls to the emergency hotline reveal the caller's location, Vanname was still in the booth when police surrounded him.

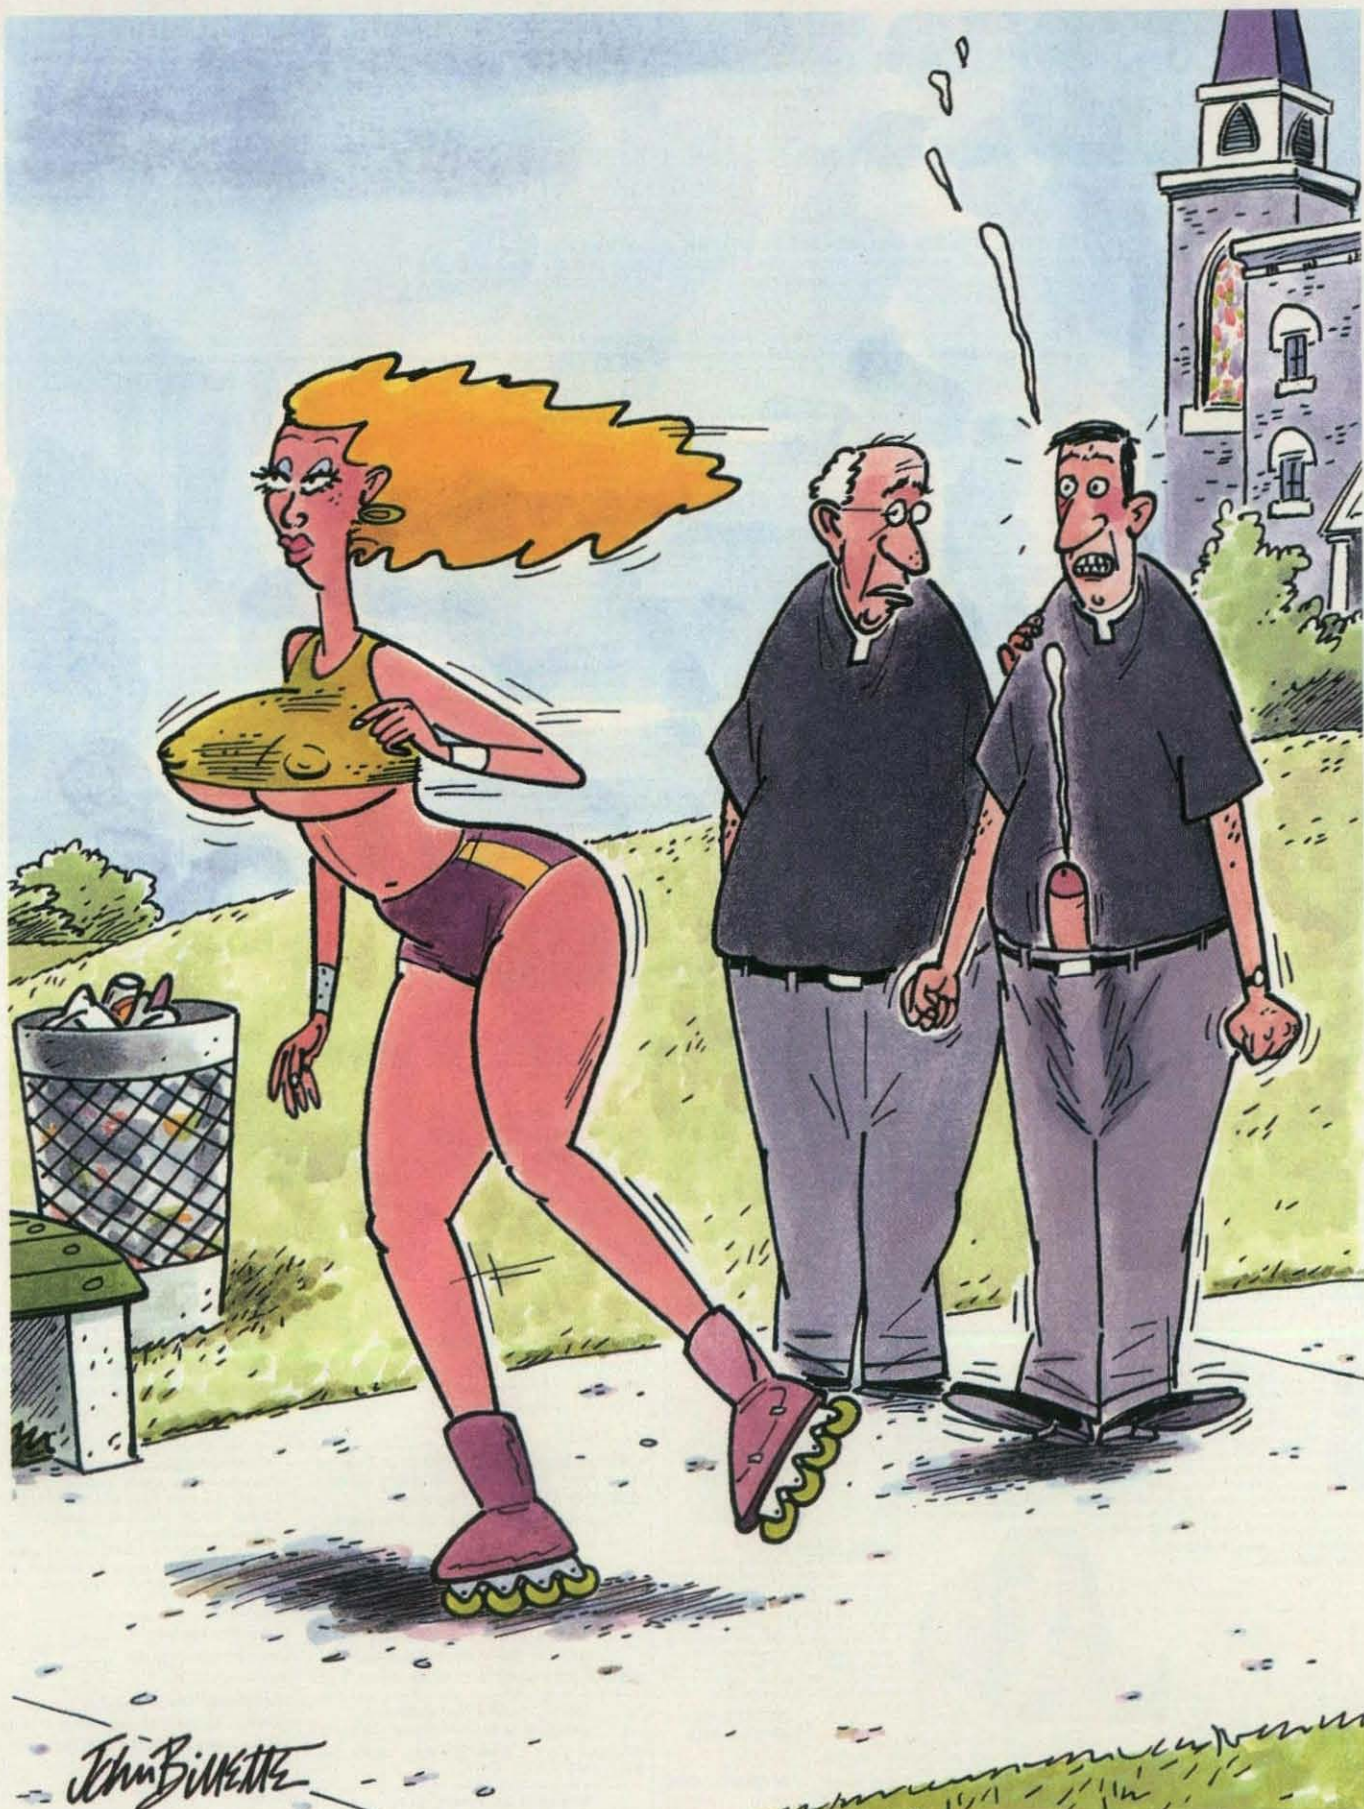

Richard Berendzen, a Harvard-

educated astronomer and American University president, fell from grace in 1990 after one of his targets, a police officer's wife, asked detectives to place a trace on her phone line.

Occasionally, technology isn't even necessary to locate the phone fiend. In 1999, an unidentified Viennese man who had harassed the same Austrian woman daily for more than six months was finally nabbed after she claimed to be busy and offered to call him back if he gave her his phone number. He did, and she promptly turned the information over to police.

While the Austrian woman's quick thinking (after six months of abuse) finally put an end to her aural misery, Reed Dixon, a retired Colorado police detective, disagrees with her methods. "Stay calm," Dixon instructs recipients of telephonic sexual harassment. "Don't say anything. Don't be hostile or insulting. Don't try being funny either;

"I am not convinced that you are cut out for the priesthood, my son."

Sex Play

"I was a prisoner in my own home," grumbles Debra Marsh. "I felt as if I had been raped. When the phone rang, I jumped."

any response you give will be interpreted as encouragement. Just hang up without showing any signs of being annoyed, because your discomfort is what excites him. Above all, report the call to the police. These compulsive types don't tend to stop of their own accord; they usually need to get caught and punished before they cease."

Even incarceration couldn't thwart at least one determined pest. In 1999, after being convicted of telephone harassment, Edward Lightfoot, a Michigan man, brazenly continued to make dirty phone calls (collect!) from behind bars.

Edna Vargas, a New Jersey psychologist frequently hired by prosecutors to testify in sex-crime cases, says the typical obscene phone caller is besieged by feelings of inadequacy and seeks to establish a dominant male role for himself. "Almost without fail, he is a male who preys upon women," Vargas offers. "He is usually afflicted with a profound sense of weakness and undesirability which he overcomes by assuming the role of a sexual predator. Sometimes he knows his victim; other times, he picks her at random from the phone book. But the victim's discomfort is crucial to his arousal."

The obscene phone caller plumbs the shallow end of sexual predation's deep, dark ocean. He drools and snorts, pumps and chortles, tugging, twisting and pinching his inflamed love antler, huffing and puffing his way to a blown wad and a dial tone's despondent hum. And though he leaves no physical evidence, he squirts an invisible cum-shot onto his victim's brain.

Hank (not his real name), a onetime obscene caller, was convicted of misdemeanor harassment stemming from a nasty habit of cold-calling women and talking dirty to them. A victim of Star 69, Hank served six months in county jail and is now midway through a three-year probation. He spoke on condition of anonymity via, predictably, the telephone.

Though Hank is almost 50, he lives in his mother's basement. Beyond that, he is reticent about his personal background. Hank admits that in his heyday, he was making up to a dozen obscene calls daily; yet he's evasive regarding the calls' juicier details. When asked whether he thinks any of his victims enjoyed his overtures, he's silent, as if their capability for pleasure never occurred to him.

The reformed spank caller swears he'll never lapse into his old ways, not because

he feels what he did was wrong, but because the risk is too high. "You just can't get away with it anymore. They've got it rigged so it's impossible to be anonymous these days."

Hank downplays the idea that his actions caused anyone harm. "Really, what did it cost *them*?" he continues, some emotion finally seeping through his monotone. "Maybe they got a little upset for ten minutes after I called. But I spent six months in jail! I went through a lot more than they did! Where's *my* justice?"

Some women agree that jail time is too draconian a punishment for an offense that is only a notch above a prank call. Melissa, a Portland, Oregon, resident, and Danielle, from Philadelphia, Pennsylvania, both claim that, over the years, they've fielded numerous obscene calls from multiple sources. The "victims" express no anger or fear, only a mildly bemused distaste, the sort one might display toward a public nose-picker.

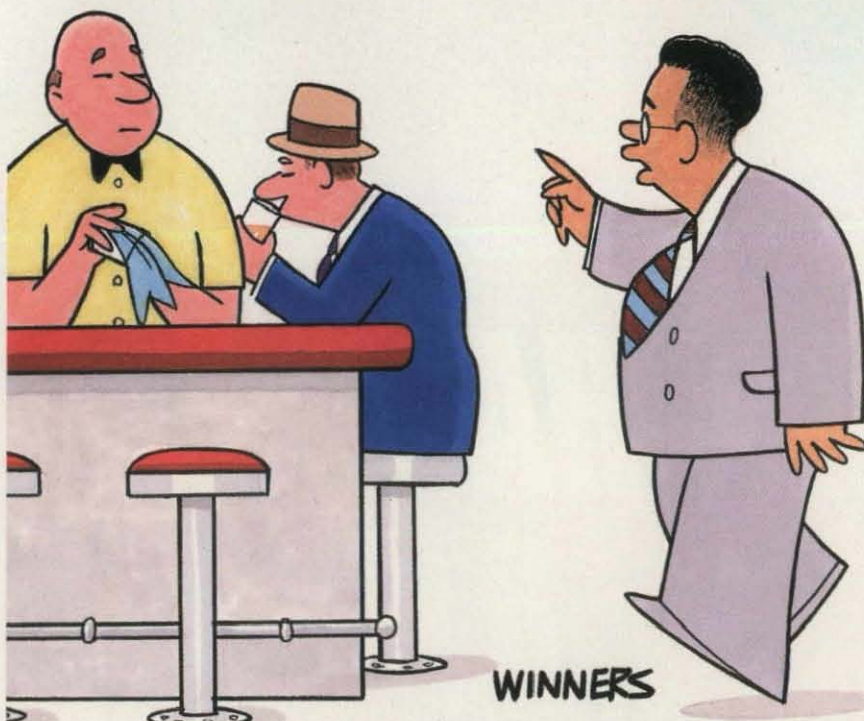

Moreover, each girl admits to having entertained the advances of at least one caller who talked a game so smooth that it compelled her to masturbate. "This one guy sure knew what he was doing," Melissa says wistfully. "He had a deep, sexy voice and didn't sound creepy at all.

He pushed all the right buttons. I know it sounds sick, but it got me really hot."

Not all women are so blasé. "I was a prisoner in my own home," grumbles Debra Marsh, a Michigan woman who, in 1997, received a slew of calls from phone pervers nationwide after her estranged husband posted her name, physical description and home number on an Internet message board. "I felt as if I had been raped. I found myself always looking behind my back, and even during the day, when the phone rang, I jumped." Marsh's ex-hubby was convicted of aiding and abetting an obscene phone call and spent 30 days in the can.

Life grows hard for the anonymous cad seeking free, nonconsensual phone sex. Where can the tele-predator go these days? The Internet has opened a massive new pipeline for covert sexual harassment, but a keyboard and monitor lack the telephone's luscious immediacy. And yet, if there's a match for the vast scope of human technological ingenuity, it is surely the bottomless depths of human sexual perversity. As long as the urge to anonymously vent one's sexual frustrations at an unwilling recipient persists, clever, desperate deviants will search for a techno-loop-hole through which to slip their lonely dicks. ☞

Blarney-Free **Babes**

The intoxicating lasses of HUSTLER's March issue chase the trouser snakes out of readers' pants for St. Patrick's Day. Parched by the tropical heat of her island paradise, a voluptuous cooze quenches her thirst with man juice. Two oiled-up sapphists try Greek wrestling but opt for roamin' tongue tricks. A bubbly blonde conducts an experiment to determine whether her inflatable furniture resists pee stains, and a raven-haired shoe fetishist demonstrates why her boots were made for fucking. Say goodbye to winter and catch your first dose of spring fever with the March HUSTLER.

Ich Bin ein **Pervert**

Most folks wouldn't peg Germany as the host of a festival dubbed Love Week, but when the proceedings include a "Fuckparade" and stern fetish chicks grinding to earsplitting hard-core techno music, the Teutonic influence is clear. HUSTLER correspondent B. T. Benghazi and photographer Matti Klatt were in Berlin to document the country's annual celebration of public sex and hedonism in an uncensored HUSTLER feature that captures every lurid detail. As one American tourist enthused, "I watched a fat chick blow some guy while she was peeing. That was something."

Voyeurs on **Display**

The VoyeurWeb 2001 party promised to be the last word in titillation for subscribers to a successful Web site devoted to surreptitious carnal images. Beautiful, bizarrely attired women streamed into the swank Rio Hotel in Las Vegas. Web cams were set up so that members could log on from home. Then something went wrong. HUSTLER correspondent A. J. Ferguson was on hand to witness the strange turn of events. In an illuminating HUSTLER feature, Ferguson details the wreckage.
